The Association's maintenance responsibility includes, without limitation; all electrical conduits located outside the Unit; plumbing fixtures and installations located outside the Unit; installations located within a Unit but serving another Unit; or installations located outside the Unit for the furnishing of utilities to more than one Unit or the Common Elements. The Association shall be responsible for the maintenance and repair of the drywall constituting the Common Elements of the Condominium, including the interior surface of the exterior boundary walls, as well as the drywall ceiling of the Unit. Decorations of such surfaces (including but not limited to paint, wallpapering, "popcorn," paneling, etc.) are the responsibility of the Unit Owner. The Association's responsibility does not include interior non-load bearing partitions, electrical fixtures, switches or receptacles, plumbing fixtures, or other electrical, plumbing or mechanical installations located within the Unit and serving only that Unit. If, in connection with the discharge of its maintenance responsibilities, the Association must remove, disassemble, or destroy portions of the Condominium Property which the Unit Owner is required to maintain, repair, and replace, the Association shall be responsible for reinstallation or replacement of that item, to its unfinished state (i.e., excluding floor coverings, wall coverings, ceiling coverings, paint, wallpaper, paneling, etc.), provided that such items are part of the Condominium Property as originally installed by the Developer, or replacements thereof of like kind and quality. buildings; all other doors and the framing and structural components thereof (including trim, caulking, locks and hardware) within or servicing the Unit; the electrical, mechanical and plumbing fixtures and outlets (including connections) within a Unit and serving only that Unit including sinks, toilets, tubs, showers, shower pans, and all related Fixtures and installations; appliances; all portions of the heating and air conditioning equipment (including compressors, air handlers and freon lines) and utility installations and connections serving an individual Unit, no matter where located, dryer vents to the point of termination (even if exterior to the Unit), air conditioner discharge lines to the point of termination or connection to another discharge (even if exterior to the Unit); carpeting and other floor covering (including balcony areas); door and window hardware and locks; all other facilities or Fixtures located or contained entirely within a Unit which serve only that Unit. All incoming plumbing from the shut-off valve inward is a specific Unit Owner responsibility. Outbound drainage plumbing is the responsibility of the Owner until the point of connection to a clean-out, even if outside the Unit boundary. All said areas, if located outside of the boundaries of the Unit, are declared Limited Common Elements. Entry walkway and gate entrance even if located outside the Unit on Common Element Property if it services only one Unit, and the repair or replacement of screening supports on Owners individual terrace even if the same are not part of the Units, but constitute Limited Common Elements. Parking facilities shall be maintained by the Association. Any insurance proceeds paid to the Association with respect to any loss or damage within the Unit or Limited Common Elements which is covered by the Association's casualty insurance, and which loss would otherwise be borne by the Unit Owner, shall be paid to the Unit Owner, after the work has been completed and invoices have been submitted verifying the costs of repair, and in accordance with Articles 12 and 13 hereof.

9.3 Additional Unit Owner Obligations. In connection with his maintenance, repair and replacement obligations, the Unit Owner shall have the responsibility to obtain the prior written approval of the Association, through the Board of Directors, before performing any maintenance, repair or replacement which requires: changes or alterations to the physical appearance of the Condominium Property visible from any exterior vantage; excavation; access to building roofs; removal, modification or relocation of any interior partitions, walls, whether load-bearing or not or the relocation of cabinets or appliances; relocation of utility plumbing or electrical lines or fixtures; the use of heavy or noisy equipment; such other actions as may cause concern for the peace and safety of the condominium and its residents or the aesthetics of the Condominium Property as determined by the Board. The Association may condition such approval on criteria as the Board deems reasonable, including but not limited to:

- Preservation of uniformity of appearance;
- Use of licensed and insured contractors;
- Right (but not duty) of oversight by the Association or its agent;
- The Unit Owner submitting plans as to the scope of the contemplated repair;

- Restrictions as to hours of work;
- Imposition of time limits in which jobs must be completed and prohibitions against major renovations during certain times of year.
- Restrictions regarding equipment that may be parked or stored on or near the Condominium Property during construction.
- Restrictions regarding the transport and storage of materials and supplies necessary for the construction to be performed.

Nothing shall preclude the Association from acting as the Owner's agent and obtaining the services of Contractors to perform Unit Owner maintenance responsibilities, provided that the Association and the Owner so agree, or when necessary (as determined by the Board) to facilitate projects involving the Association's maintenance of the Condominium Property, and provided that the Owner is deemed to consent to reimbursement of expenses incurred, secured by such rights as exist for collecting Common Expenses under these Condominium Documents i.e., a lien for Charges. Unit Owners shall at all times be responsible to ensure, whether or not Association approval is required for work being done within the Unit, that all Contractors and other persons performing services for the Unit or Owner are properly licensed and insured, including required Worker's Compensation insurance. The Unit Owner shall hold the Association harmless from any claim of any nature arising out of failure to comply with this requirement.

9.4 Balconies. The Unit Owner who has the right to the exclusive use of said balcony shall be responsible for the maintenance, care and preservation of: balcony floor coverings (the Board may prohibit certain types of floor coverings or require the removal of existing coverings when necessary for the structural preservation of the building); the screens and frames; storm shutters and other enclosures; fixed and/or sliding glass doors and affiliated framing and hardware thereof; the wiring, electrical outlet(s) and Fixture(s) on or servicing the balcony; ceiling fans; and the replacement of light bulbs. The Association shall be responsible for structural maintenance, repair and replacement of balcony floors, ceilings and exterior portions, and also the building walls enclosed by the balconies, provided that painting and regular maintenance (nonstructural) of building walls enclosed by balconies shall be done by the Unit Owners, subject to the uniformity of appearance (e.g., color shall match the exterior building color) and other criteria set forth in these Condominium Documents, or as determined by the Board. However, the Association may, if it elects, paint balcony walls and ceilings in connection with the painting of the building as either a common expense, or on a voluntary participation basis, as determined by the Board of Directors.

9.5 Unit Floor Coverings. All Units above the first floor shall always have the floors covered with wall-to-wall carpeting, except in kitchens, bathrooms, balconies, foyers, and utility or laundry rooms, except as provided below. Hard floor surfaces (tile, marble, wood, etc.) may only be installed in areas other than kitchens, bathrooms, balconies, foyers, and utility or laundry rooms, upon prior written approval of the Board of Directors, which shall condition its approval on the Unit

Owner's proof of the installation of appropriate sound-deadening material. Specifications for sound proofing of hard flooring must be approved in writing by the Board or its representative prior to installation, and then the installed sound proofing must be inspected and approved prior to installation of the hard flooring. The minimum sound proofing material that will be approved shall be of such kind and quality to achieve STC and IIC ratings of at least 47 in bathrooms and 52 in all other areas and as the Board may further specify.

9.6 Alterations by Unit Owners. No Owner may make or permit the making of any modifications or alterations to any portion of his Unit visible from the exterior, or in any manner change the appearance of any portion of the condominium visible from the exterior, or make any structural change within the Unit interior without first obtaining the written consent of the Board of Directors, which consent shall be denied if the Board determines that the proposed modifications or alterations would adversely affect, or in any manner be detrimental to, the condominium in part or whole. "Structural" alterations include, but are not limited to: installation of new or relocation of existing electrical, plumbing, air conditioning or heating installations; installation of new or relocation of existing Fixtures or appliances such as toilets, sinks, tubs, showers, dishwashers, refrigerators, or ranges; the removal or modification of any partition (whether load bearing or not), door, window or screen; raising ceilings; or relocating kitchen or bathroom cabinetry. For purposes of this provision, the term "structural" shall also include the addition, removal, or relocation of any plumbing line or fixture, any electrical line or fixture, or the removal or creation of any interior partition (including but not limited to "wing walls") whether load-bearing or not. Replacement of cabinetry, appliances, Fixtures, etc., with substantially equivalent installations, in the same location, shall not be deemed "structural" and shall not require approval of the Association. Further, "structural" work shall include any and all work that requires a building permit, an electrical permit, a plumbing permit, a mechanical permit, or similar permits from the appropriate governmental agency, whether or not mentioned above. The Board may, in appropriate circumstances, require sealed plans from an Architect or Professional Engineer licensed to practice in Florida as a condition of reviewing any requested structural modification, alteration or addition to the Condominium Property. The Board, in reaching its decision, may take into account uniformity of appearance, compatibility with architecture in The Heron Coach Houses and the Forest, the quality of the proposed alteration, objections of neighboring residents, and such other criteria as the Board may reasonably adopt in reaching its decision. If the Board determines to permit any alteration or addition which is visible from the exterior of the premises and which affects the exterior appearance of the Condominium Property in a material and substantial fashion, as determined in the sole discretion of the Board of Directors, from any vantage, said addition or improvement must also be approved by the Unit Owners in the manner provided in Article 9.8 of the Declaration of Condominium, regardless of the cost or expense of such addition or alteration. If any Unit Owner requests approval of any structural alteration or modification, the Association may permit such removal or modifications if same would not materially affect or interfere with the utility services constituting Common Elements, if any, located therein, the structural integrity of the building or create a nuisance or disturbance to neighboring Units.

9.7 Additional Unit Owner Responsibility for Alterations and Additions. If a Unit Owner makes, or has made any modifications, installations, or additions to the interior or exterior of the Unit, Common Elements, or Limited Common Elements, the Unit Owner (and his heirs, successors in title and assigns) shall be financially responsible for the insurance, maintenance, care, and preservation of the modifications, installations or additions and shall execute such documents as the Association may promulgate accepting said financial responsibility. Any modification, alteration, or addition to the Condominium Property made by a Unit Owner may be required to be removed in connection with the Association's maintenance of the Condominium Property. In such cases, the Unit Owner who installed the alteration, addition, or improvement (and/or their successors in title) shall be obligated to reimburse the Association for any costs affiliated with removal and/or re-installation of the item, with said obligation being secured by a right of lien for Charges of equal dignity to the common expense lien created by this Declaration, or alternatively, said Owner may be required to remove and reinstall said additions, if so determined by the Board of Directors. Further, the Association, its contractors and agents, shall not be liable for any damage to the item arising out of its removal and/or reinstallation, unless occasioned by the gross negligence or willful misconduct of the Association or its contractor or agent.

9.8 Alterations by Association. There shall be no material alterations or substantial additions to the Common Elements or association real property by the Association, except as authorized by the Board of Directors. Provided, however, that if any such alterations or additions require or obligate the expenditure of Association funds of more than five percent of the Association's budget for the fiscal year in which the work is authorized, including restricted reserves, the Board shall obtain approval of a two-thirds (2/3) of voting interests present (in person or by proxy) and voting at a duly noticed meeting at which a quorum is present, provided, however, that the amendment is approved by at least a majority of the entire voting interests. Necessary maintenance of the Common Elements, or Association Property regardless of the level of expenditure, is the responsibility of the Board of Directors.

9.9 Enforcement of Maintenance. If, after reasonable notice, the Owner of a Unit fails to maintain the Unit or other portions of the Condominium Property as required above, the Association shall have, without waiver of other remedies, the right to enter the Owner's Unit or Limited Common Element and perform or cause performance of the necessary work, and/or institute legal proceedings at law or in equity to enforce compliance, and/or to take any and all other lawful actions to remedy such violation, in which event the Unit Owner shall be charged for the costs of such activities (including attorney's fees incurred by the Association) by the Association which shall be secured by a lien for Charges.

9.10 Negligence Damage Caused by Condition of Unit. Each Unit Owner shall be liable to the Association and/or other Unit Owners for the expenses of any maintenance, repair or replacement of the Condominium Property, made necessary by his intentional act or negligence, or by that of any member of his Family or his or their guests, employees, agents, or lessees. If any condition, defect or malfunction existing within a Unit, if caused by the Owner's negligence, shall

Amended and Restated Declaration of Condominium

Page 14 of 39

cause damage to the Common Elements, Association Property, or to other Units, the Owner of the offending Unit shall be liable to the person or entity responsible for repairing the damaged areas for all costs of repair or replacement not paid by insurance (including the deductible) and without waiver of subrogation rights, provided that such responsibility shall be conditioned on the neighboring Unit(s) being adequately insured based on local standards and conditions. Further, any claim of a Unit Owner against the Association relative to damage to the Condominium Property, to the extent the Association might otherwise be liable pursuant to the Condominium Documents or applicable law, shall be predicated upon said Unit Owner being adequately insured based on local standards and conditions. Should any Unit Owner fail to maintain such insurance, any claim will be reduced to the extent such Unit Owner's insurance, if obtained pursuant to the above-described standards, would have provided coverage or compensation for the loss. The requirement that the individual Unit Owner obtain insurance shall not be construed to confer any additional liability on the Association, but is intended to require Unit Owners and the Association to respectively insure risks that are customarily experienced in condominiums located in Florida's coastal communities, condominiums in general, including but not limited to damages occasioned by windstorms, hurricanes, tornadoes, floods, rainstorms, bursting pipes, and water seepage and leakage. If one or more of the Units involved is not occupied at the time a damage incident is discovered, the Association may enter the Unit(s) without prior notice to the Owner(s) and take reasonable action to mitigate damage or prevent its spread, at the Unit Owner's expense. The Association may, but is not obligated to, repair the damage without the prior consent of the Owner, in the event of an emergency, and the Owner shall be responsible for reimbursement of the Association, with the cost being secured by a lien for Charges. Unit Owners are required to shut off all water valves when the Unit will be unoccupied on an overnight basis, and failure to do so will create a presumption of negligence.

10. ASSESSMENTS AND CHARGES. Assessments against Owners shall be made by the Board of Directors of the Association, in the manner provided in the Bylaws and as follows, and shall be borne by the Unit Owners on the same basis as their percentage of ownership of the entire condominium as set forth in Article 6.

10.1 Liability for Assessments. A Unit Owner, regardless of how title is acquired, including a purchaser at a judicial sale, shall be liable for all Assessments coming due while he/she is the Unit Owner. The grantee shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor for his/her share of the Common Expenses including attorney's fees and other costs of collection incurred by the Association up to the time of the conveyance, without prejudice to any right the grantee may have to recover from the grantor the amounts paid by the grantee. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments are made.

10.2 Default in Payment of Assessments for Common Expenses. Assessments and installments thereof not paid within ten (10) days from the date when they are due shall incur a late fee and bear interest in an amount as determined by the Board of Directors which, unless

Amended and Restated Declaration of Condominium

Page 15 of 39

otherwise specified, shall be the maximum allowed by law. The Board may accelerate unpaid Assessments in the manner prescribed by law. The Association has a lien on each Condominium Parcel for any unpaid Assessments on such parcel, with interest, late Charges and for reasonable attorney's fees and costs incurred by the Association incident to the collection of the Assessment or enforcement of the lien. The Association may also accelerate all Assessments or Charges which are accrued, but not yet due, in the manner provided by law. The lien is in effect until all sums secured by it have been fully paid or until barred by law. A claim of lien shall be signed and acknowledged by an officer or agent of the Association. Upon recording, the Association's claim of lien shall relate back to the date of the filing of the original Declaration of Condominium. Upon payment the Condominium Parcel is entitled to a satisfaction of the lien. The Association may bring an action in its name to foreclose a lien for Assessments in the manner a mortgage of real property is foreclosed and may also bring an action to recover a money judgment for the unpaid Assessments without waiving any claim of lien.

10.3 Notice of Intention to Foreclose Lien. No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments. If this notice is not given at least thirty days before the foreclosure action is filed, and if the unpaid Assessments, including those which have been accelerated (if applicable) and those coming due after the claim of lien is recorded, are paid before the entry of a final judgment or foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified mail, return receipt requested, addressed to the Unit Owner. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this sub-section are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act.

10.4 Appointment of Receiver to Collect Rental. Notwithstanding any other remedy available to the Association under this Declaration, the Bylaws, or applicable law, the Association shall have the following options when payment of Assessments are in default (more than thirty days in arrears). The Association may, without order of the court, direct rental income (by written notice to the tenant with copy to Owner) from Units in default to be paid directly to the Association until all outstanding Assessments, interest, costs and attorney's fees and receiver's fees if applicable are satisfied. As an alternative, the Association may apply to a court of competent jurisdiction, either in connection with the institution of a foreclosure suit, a personal suitor otherwise to have rental proceeds paid on account of a Unit in default paid directly to the Association, the court registry, or a receiver, as the court may direct. The Association may choose any of these courses of action as the Board deems appropriate without same constituting a waiver or election of remedies.

10.5 First Mortgagee. The priority of the Association's lien and the obligation for payment of past due Assessments in relation to first mortgagees who obtain title as a result of

foreclosure or deed in lieu of foreclosure, shall be determined by the Florida Condominium Act, Chapter 718, Florida Statutes (2003), as amended from time to time.

10.6 Possession of Unit. Any person who acquires an interest in a Unit, except First Mortgagees through foreclosure of a first mortgage of record (or deed in lieu thereof), including without limitation persons acquiring title by operation of law, shall not be entitled to occupancy of the Unit or enjoyment of the Common Elements until such time as all unpaid Assessments and other Charges due and owing by the former Owner, if any, have been paid. Possession shall be subject to all other Association requirements pertaining thereto.

10.7 Certificate of Unpaid Assessments. Any Unit Owner has the right to require from the Association a certificate showing the amount of unpaid Assessments against him/her with respect to his/her Unit.

10.8 Lien For Charges. There is hereby created a common law and contractual lien to secure any service which the Association provides for an individual member and which is not otherwise secured by the statutory lien for Common Expenses created herein. By way of example, but not limitation, a lien for Charges exists to secure repayment to the Association when it must remove or reinstall Unit Owner alterations or items of Unit Owner maintenance responsibility in connection with the Association's discharge of its Common Element maintenance responsibilities, or address emergency situations, such as water extraction from a Unit. The lien for Charges shall be of equal priority to, shall be secured as to interest, late fees and attorney's fees and the like, and shall be foreclosed in the same manner as the common expense lien.

11. ADMINISTRATION AND MANAGEMENT OF CONDOMINIUM. The administration and management of the condominium shall be by the Condominium Association, which shall have by and through its officers and Directors, such powers, authority and responsibilities as are vested in the officers and Directors of a corporation not-for-profit under the laws of the State of Florida, including but not limited to those set forth more specifically elsewhere in the Condominium Documents. The Association shall have authority to enter into management and other agreements concerning the matters of common interest through its officers. The management of the Association and election of the members to the Board of Directors shall be as set forth in the Bylaws. Without limiting the foregoing, the Association shall have the following powers and duties:

11.1. Access. The irrevocable right of access to each Unit during reasonable hours as may be necessary for the maintenance, repair or replacement of any Common Elements therein, or at any time for making emergency repairs therein necessary to prevent damage to the Common Elements or to any other Unit or Units, or to determine compliance with the terms and provisions of this Declaration, the exhibits annexed hereto, and the Rules and Regulations adopted pursuant to such documents, as the same may be amended from time to time. The Association may require that a pass key be posted for each Unit and may, if determined advisable by the Board, implement a master key system.

11.2 Assessments. The power to make and collect regular and special assessments and other Charges against Unit Owners and to Lease, maintain, repair and replace the Common Elements and Association Property.

11.3 Recordkeeping. The duty to maintain accounting records according to good accounting practices, which shall be open to inspection by Unit Owners or their authorized representatives at reasonable times.

11.4 Delegation. The power to enter into contracts with others, for valuable consideration, for maintenance and management of the Condominium Property and in connection therewith, or to its officers and agents, to delegate the powers and rights herein contained, including, without limitation, the making and collecting of Assessments and other Charges against Unit Owners, and perfecting liens for non-payment thereof.

11.5 Regulations. The power to adopt and amend Rules and Regulations covering the details of the operation of the Association and use of the Condominium Property.

11.6 Acquisition or Transfer of Real Property; Leasing Common Elements and Association Property. The power to acquire or transfer real property or otherwise convey and mortgage real property for the use and benefit of its members with the same approval of Unit Owners as needed to amend the Declaration. No Unit Owner shall be required to purchase (or mortgage) a Unit through foreclosure, deed in lieu of foreclosure, or in connection with the Association's right of first refusal set forth in Article 17 hereof. Leasing of Units, Common Elements or Association Property may be approved by the Board of Directors, as well as the Lease fees, use fees, and other fees permitted by the Act or the Condominium Documents.

11.7 Membership Agreements. The power to enter into agreements to acquire leaseholds, memberships, and other possessory or use interests in lands or facilities such as country clubs, golf courses, marinas, and other recreational facilities with the same approval of Unit Owners as needed to amend the Declaration.

11.8 Fees for Use of Common Elements. Pursuant to Section 718.111(4), Florida Statutes (2003), as amended from time to time, the Board of Directors shall have the authority to set use fees for private use of Common Elements or Association Property, as well as the regulations and policies pertaining to such use.

11.9 Lease of Association Property or Common Elements. The power to Lease Association Property or Common Elements, as determined by the Board of Directors. No use fee may be charged against a Unit Owner for use of the Common Elements or Association Property except fees set by the Board pertaining to an Owner having exclusive use of the Common Elements or Association Property, or as agreed by the Association and the party

leasing Association Property or Common Elements, pursuant to an oral or written Lease agreement.

11.10 Limitation upon Liability of Association. Notwithstanding the duty to maintain and repair parts of the Condominium Property, the Association is not liable to Unit Owners or any other person for injury or damage, other than for the cost of maintenance and repair of items for which the Association is otherwise responsible, caused by any latent or unknown condition of the Condominium Property. Further, the Association shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any alterations or improvements done by or on behalf of any Unit Owners, regardless of whether or not same shall have been approved by the Association pursuant to the provisions hereof.

Notwithstanding anything contained herein or in the Condominium Documents or any other document governing or binding the Association, the association shall not be liable or responsible for, or in any manner be a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Condominium Property, including, without limitation, residents and their families, guests, invitees, agents, servants, contractors or subcontractors or for any property of any such persons. Without limiting the generality of the foregoing:

11.9.1 It is the express intent of the Condominium Documents that the various provisions thereof which are enforceable by the Association, and which govern or regulate the use of the Condominium Property, have been written, and are to be interpreted and enforced, for the sole purpose of enhancing and maintaining the enjoyment of the Condominium Property and the value thereof; and

11.9.2 The Association is not empowered, and has not been created, to act as an entity which enforces or ensures the compliance with the laws of the United States, State of Florida, Lee County, and/or any other jurisdiction or the prevention of tortious activities; and

11.9.3 Any provisions of the Condominium Documents setting forth the uses of Assessments which relate to health, safety and or welfare shall be interpreted and applied only as limitations on the uses of Assessment funds and not as creating a duty of the association to protect or further the health, safety or welfare of any person(s), even if Assessment funds are chosen to be used for any such reason.

Each Unit Owner (by virtue of his acceptance of title to his Unit) and each other person having an interest in or lien upon, or making any use of, any portion of the Condominium Property (by virtue of accepting such interest or lien or making such uses) shall be bound by this provision and shall be deemed to have automatically waived any and all rights, claims, demands and causes of action against the association arising from or connected

Amended and Restated Declaration of Condominium

with any matter for which the liability of the association has been disclaimed in this provision.

As used in this section, "Association" shall include within its meaning all of the Association's Directors, officers, committee members, employees, agents, contractors (including management companies or managers), subcontractors, successors, and assigns.

11.11 Restraint upon Assignment of Shares in Assets. The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as an appurtenance to his/her Unit.

12. INSURANCE. The insurance which shall be carried upon the Condominium Property, including the Units, Common Elements, and Association Property shall be as follows:

12.1 Authority to Purchase Insurance. All insurance policies shall be purchased by the Association for the benefit of the Association and the Unit Owners and their mortgagees as their respective interests may appear.

12.2 Coverage.

12.2.1 Casualty. Except as otherwise provided herein, the Association shall obtain and maintain fire, wind, general casualty, flood and extended coverage insurance with a responsible insurance company, or through alternate sources as may be available, upon all of the Insurable Improvements of the entire Condominium, including Association Property, the Common Elements, the Units, and the personal property of the Association, for the full replacement or insurable value thereof, less a commercially reasonable deductible, provided the Board may exclude foundation and excavation costs in its discretion. Notwithstanding the foregoing requirement, the Association, through its Board of Directors, will have fulfilled its duty to obtain insurance coverage if it obtains and maintains such insurance coverage as may be available from time to time given market and economic conditions, provided such coverage shall always meet the minimum level of adequate coverage required by Section 718.111(11), Florida Statutes (2003), as amended from time to time. The original policy of insurance shall be held by the Association, and mortgagees shall be furnished, upon request, mortgage endorsements covering their respective interests. The word "Building" or "Insurable Improvements" in every hazard policy issued to protect a condominium building does not include Unit floor, wall, or ceiling coverings; electrical fixtures; appliances; air conditioner or heating equipment; water heaters; water filters; built-in cabinets or countertops; window treatments, including curtains, drapes, blinds, hardware and similar window treatment components; replacements of any of the foregoing which are located within the boundaries of a Unit and serve only one Unit; all air conditioning compressors that service only an individual Unit, whether or not located within the Unit boundaries; or any other item, personal property, fixture, appliance or equipment permitted to be excluded from the condominium's insurance policy pursuant to Florida Statutes, Section 718.111(11), as same may be amended from time to time. The Unit Owners shall also be responsible to insure any portion of the Condominium Property which may be removed

Amended and Restated Declaration of Condominium

Page 20 of 39

from Association insurance responsibilities by virtue of future amendments to Section 718.111(11), Florida Statutes (2003).

12.2.2 Liability Insurance. The Association shall obtain and maintain public liability insurance covering all of the Common Elements and Association Property and insuring the Association and the Unit Owners as their interest may appear in such amount as the Board of Directors may deem appropriate. The Board of Directors shall have authority to compromise and settle all claims against the Association or upon insurance policies held by the Association. The Unit Owners shall have no personal liability upon such claims, except as may be otherwise provided by law, and nothing herein contained shall in any way be construed as imposing upon the Association a duty to assess Unit Owners for the purpose of raising sufficient funds to discharge any liability in excess of insurance coverage. Each Unit Owner will be responsible for procuring and maintaining liability insurance covering losses which may occur in and about the Owner's Unit, and such other insurance as the Owner may deem appropriate.

12.2.3 Worker's Compensation. Such worker's compensation coverage as may be required by law, or deemed advisable by the Board.

12.2.4 Other Insurance. Such other insurance as the Board of Directors may from time to time deem to be necessary, including but not limited to Errors and Omissions Officers and Directors Liability insurance coverage, flood insurance, and insurance for the benefit of its employees.

12.3 Deductible and Other Insurance Features. The Board of Directors shall establish the amount of the deductible under the insurance policies, and other features, as they deem desirable and financially expedient, in the exercise of their business judgment.

12.4 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense.

12.5 Insurance Shares or Proceeds. Insurance proceeds of policies purchased by the Association covering property losses shall be paid to the Association, and all policies and endorsements thereon shall be deposited with the Association. The duty of the Association shall be to receive such proceeds as are paid and to hold and disburse the same for the purposes stated herein and for the benefit of the Unit Owners and their mortgagees in the following shares:

12.5.1 Common Elements. Proceeds On Account Of Damage To Common Elements: An undivided share for each Unit Owner, such share being the same as the undivided share in the Common Expenses appurtenant to the Unit.

12.5.2 Unit. Proceeds On Account Of Damage To Units Shall Be Held In The Following Undivided Shares:

12.5.2.1 When The Condominium Building Is To Be Restored: For the Owners of damaged Units in proportion to the costs of repairing the damage suffered by each Unit Owner, which cost shall be determined by the Association.

12.5.2.2 When The Condominium Building Is Not To Be Restored: An undivided share for each Unit Owner, such share being the same as the undivided share in the Common Expenses appurtenant to the Unit.

12.5.3 Mortgages. In the event a mortgage endorsement has been issued as to a Unit, the share of that Unit Owner shall be held in trust for the mortgagee and the Unit Owner as their interests may appear; provided, however, that no mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except those proceeds paid to the Unit Owner and mortgagee, pursuant to the provisions of this Declaration.

12.6 Distribution of Proceeds. Proceeds of insurance policies received by the Association shall be distributed in the following manner:

12.6.1 Reconstruction or repair. If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the beneficial Owners, remittances to Unit Owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of any Unit and may be enforced by such mortgagee.

12.6.2 Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial Owners, remittances to Unit Owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of a Unit and may be enforced by such mortgagee.

12.7 Association as Agent. The Association is irrevocably appointed agent for each Unit Owner and for each Owner of a mortgage or other lien upon any Unit and for each Owner of any other interest in the Condominium Property or any property in which the Association owns an interest, to adjust all claims arising under insurance policies by the Association, and to execute and deliver releases upon the payment of such claim.

13. RECONSTRUCTION AFTER CASUALTY. If any part of the Condominium Property shall be damaged by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

13.1 Common Elements. If the damaged improvement is any of the Common Elements, the damaged Common Element shall be reconstructed or repaired.

13.2 The Building.

13.2.1 Lesser damage. If the damage renders less than 50% of the Units untenable in the condominium, as determined by the Board of Directors or governmental agencies of jurisdiction, the damaged property shall be reconstructed or repaired.

13.2.2 Major damage. If the damage renders more than 50% of the Units untenable, as determined by the Board of Directors or governmental agencies of jurisdiction, the damaged property will be reconstructed or repaired, unless 75% of the entire voting interests agree in writing that such reconstruction or repair shall not take place. The decision whether or not to reconstruct or repair shall be made within one hundred eighty (180) days after the casualty, provided however that the Board of Directors shall have the authority to extend this period for decision-making, not to exceed two (2) years, to deal with exigencies in communication with Unit Owners caused by natural disasters or other significant casualties.

13.2.3 Plans and Specifications. Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original buildings, as set forth in the Surveyor's Plats, or if not, then according to plans and specifications approved by the Board of Directors.

13.3 Responsibility. If the damage includes those parts of a Unit for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner shall be responsible for the expense of reconstruction and repair after casualty of said portion of the work, although the Association may perform the work on behalf of the Owner. When the Association is the recipient of insurance proceeds, such as in cases where a portion of the Building is insured by the Association, but is the repair responsibility of the Unit Owner, the Association may condition the disbursement of insurance proceeds on obtaining reasonable verification of, appropriate steps to ensure that, the work is done and that the Contractor is paid for the performance of said work. In all other instances, the responsibility of reconstruction and repair after casualty shall be that of the Association.

13.4 Estimates of costs. Immediately after a determination is made to rebuild or repair damage to property for which the Association or Unit Owner has the responsibility of reconstruction and repair, the Association or Unit Owner shall obtain reliable and detailed estimates of the cost to rebuild or repair.

13.5 Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association (including shortfalls occasioned by a deductible), or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Assessments shall be made against the Unit Owners who own the damaged Units, and against all Unit Owners in the case of damage to Common Elements, in sufficient amounts to provide funds for

Amended and Restated Declaration of Condominium

Page 23 of 39

the payment of such costs. Such Assessments on account of damage to Common Elements shall be in proportion to the Owner's share in the Common Expenses.

13.6 Termination of condominium if not reconstructed. If the Owners do not vote to reconstruct the condominium by vote required in Article 13.2.2 hereof, the condominium shall be terminated in accordance with the procedures set forth in Article 19.2 and 19.3 hereof.

14. USE RESTRICTIONS. Use of the property submitted for condominium ownership shall be in accordance with the following use restrictions and reservations:

14.1 Occupancy of Units; Single Family Residence. A condominium Unit shall be used only as a Single Family residence. As used in the Condominium Documents, "Single Family" means one natural person, a group of two or more natural persons who customarily reside together as a Single Family housekeeping Unit, each of whom is related to each of the others by blood, marriage or adoption, or not more than two persons not so related, who customarily reside together as a single housekeeping Unit. No more than five (5) persons may permanently occupy a two (2) bedroom Unit. No more than seven (7) persons may permanently occupy a three (3) bedroom Unit. For purposes of these Condominium Documents, "permanently occupy" means to sleep in the Unit for more than thirty (30) nights during a calendar year. No Unit may be divided or subdivided into a smaller Unit nor any portion sold or otherwise transferred. No person may occupy a Unit as a Unit Owner, tenant, or Family member thereof (i.e., occupy the Unit on an overnight basis for more than thirty (30) days in a calendar year) unless said person's occupancy has been specifically approved by the Association, through the Board of Directors. In considering such requests, the Board may consider factors set forth in Article 17 hereof, and may charge a reasonable fee for review of occupancy requests. Visitation by guests are governed by Article 15 of this Declaration of Condominium. Units may not be used for commercial or business purposes. Owners (and their Family members and tenants) may use Units for "home office" or "telecommuting" purposes, provided that such uses do not involve customers or clients coming onto the Condominium Property, the postage of any signage in the Condominium, the storage of equipment, products, or materials in the Condominium, nor more than two regular deliveries per day of correspondence or similar items from customary express delivery services.

14.2 Nuisance. The Condominium Property shall not be used for any immoral, improper or unlawful purpose and no use or behavior shall be allowed which will create a public or private nuisance, nor which shall unreasonably interfere with the quiet possession or enjoyment of the Condominium Property, nor which becomes a source of annoyance to the condominium residents. All property shall be kept in a neat and orderly manner. The Common Elements shall be used for the purpose of furnishing services and facilities as herein provided for the welfare and enjoyment of such residents. The Condominium Property shall be used in accordance with all federal, state, and local laws and ordinances.

14.3 Pets. Each unit is permitted to have one usual household pet (e.g., dog, cat), subject to reasonable rules as to their use, restraint and conduct as defined by the rules adopted by the Board

of Directors. Tenants and household guests will not be permitted to have pets or bring pets onto the Condominium Property at any time. Should the Board receive a complaint about the control or regulation of a pet, and decide that the complaint has merit, the Board will notify the owner, and may, if necessary, levy a fine against the pet's owner in an amount as permitted by Florida law. The Board may continue to levy such fines monthly until the situation is corrected to the Board's satisfaction. Failure to pay these fines, or to correct the situation to the satisfaction of a majority of the Board, so as to allow other owners peaceful enjoyment of their properties, may result in expulsion of the pet from the Condominium Property, as permitted by Florida law.

14.4 Exterior. No exterior curtain, blind, awning or glass, etc., shall be installed on any porch or balcony without the prior approval of the board of Directors. An owner shall not individually paint or otherwise decorate or change the appearance of any portion of the exterior of his Unit.

14.5 Additional Restrictions. Attached as Exhibit "D" are the Rules and Regulations, which may be amended from time to time by the Board of Directors. Amendments to the Rules and Regulations may, but need not be recorded in the Public Records. Additional use restrictions are also contained elsewhere in the Condominium Documents.

15. GUEST OCCUPANCY. A "guest" is defined as a person who enters upon the Condominium Property at the invitation of a Unit Owner or tenant, (or their respective families) for the purpose of visiting the Unit Owner or tenant (or their respective families), occupying the Condominium Unit for less than thirty days during any calendar year, or utilizing the Condominium Property. Use or visitation without consideration (payment) distinguishes a guest usage from a tenancy. All guests occupying the Unit for more than 30 nights during any calendar year will be considered to "permanently occupy" the unit and such occupancy shall be in accordance with Article 14.1 above.

15.1 Additional Board Authority. The Board may promulgate reasonable rules, policies, and procedures for various types of guest uses including overnight and non-overnight visitation by guests. In the event that Unit Owners are suspected of circumventing rental restrictions by receiving consideration for occupancies which are held out as guest occupancies, the Association may require proposed guest occupants to submit proof of familial/relationship, an affidavit as to absence of payment for the right to occupy the premises, and the like.

16. LEASING. The Lease of a Unit is defined as occupancy of the Unit by any person other than the Unit Owner, whether pursuant to verbal or written agreement, where said occupancy by the non-owner involves consideration (the payment of money, the exchange of goods or services, etc.). The term "leasing" and "renting" shall be used interchangeably for the purpose of this Declaration of Condominium. The term "tenant" and "lessee" shall likewise be used interchangeably. Should a Unit Owner wish to Lease his Unit, he shall furnish the Association with a copy of the proposed Lease and the name of the proposed lessee, as well as all proposed occupants. The Association shall have thirty (30) days from the receipt of notice within which to approve or disapprove of the

Amended and Restated Declaration of Condominium

proposed Lease or proposed lessees or occupants. The Association shall give the Unit Owner written notice of its decision within said period. Failure to notify the Unit Owner shall be deemed an approval. No individual rooms may be rented and no transient tenants may be accommodated. "Rent-sharing" and subleasing is prohibited. All Leases shall be for a minimum period of ninety (90) consecutive days or three (3) calendar months, whichever is less and for a maximum period of one (1) year. Only one lease per Unit per year will be permitted. Leases may be renewed, subject to Board approval.

16.1 Board Right of Approval. The Board of Directors shall have the authority to approve all Leases and renewals or extensions thereof, which authority may be delegated to a committee or agent. No person may occupy a Unit as a tenant, Family member of a tenant, or otherwise without prior approval of the Board of Directors. The Board shall have the authority to promulgate or use a uniform Lease application and require such other information from the proposed tenant and all proposed occupants as the Board deems appropriate under the circumstances. The Board may require an interview of any proposed tenant and their spouse, if any, and all proposed occupants of a Unit, as a condition for approval.

16.2 Tenant Conduct, Remedies. All Leases shall be on a uniform form of Lease or Lease addendum if so promulgated by the Association. Uniform Leases, addenda and all other Leases will provide or be deemed to provide that the tenants have read and agreed to be bound by the Declaration of Condominium, Articles of Incorporation, Bylaws and Rules and Regulations as the same may be amended from time to time (the "Condominium Documents"). The uniform Lease or addendum and other Leases shall further provide or be deemed to provide that any violation of the Condominium Documents shall constitute a material breach of the Lease and subject the tenant to eviction as well as any other remedy afforded by the Condominium Documents or Florida law. If a tenant fails to abide by the Condominium Documents, the Unit Owner(s) shall be responsible for the conduct of the tenant and shall be subject to all remedies set forth in the Condominium Documents and Florida law, without waiver of any remedy available to the Association as to the tenant. The Unit Owner shall have the duty to bring his tenant's conduct into compliance with the Condominium Documents by whatever action is necessary, including without limitation the institution of eviction proceedings without notice to cure, where legally permissible. If the Unit Owner fails to bring the conduct of the tenant into compliance with the Condominium Documents, the Association shall have the authority to act as agent of the Unit Owner to undertake whatever action is necessary to abate the tenants' noncompliance with the Condominium Documents, including without limitation the right to institute an action for eviction against the tenant in the name of the Association, or as agent of the Unit Owner. The Association shall have the right to recover any costs or fees, including attorney's fees, incurred in connection with such actions from the Unit Owner which shall be secured by a continuing lien in the same manner as Assessment Charges.

16.3 Security Deposit. The Board of Directors shall have the authority, as a condition of granting approval to a Lease or renewal or extension thereof, to require that a prospective lessee or Unit Owner place a security deposit in an amount not to exceed the equivalent of one month's rent into an escrow account maintained by the Association to protect against damage to the Common

Elements or Association Property. Payment of interest, claims against the deposit, refunds and disputes under this paragraph shall be handled in the same fashion as provided in Part II of Chapter 83 of the Florida Statutes (2003) as amended from time to time.

16.4 Approval Process, Disapproval. Any Unit Owner intending to Lease his Unit shall submit an application and any other requested information and fees at least thirty (30) days in advance of the commencement of the Lease or renewal or extension term. Upon receipt of all information and fees required by Association, the Association shall have the duty to approve or disapprove all proposed Leases within thirty (30) days of receipt of such information for approval and the completion of the tenant interview (if required), by sending written notification to the Unit Owner within such time frame. All requests for approval not acted upon within thirty (30) days shall be deemed approved. Applications for renewals or extensions of Lease agreements shall be submitted at least thirty (30) days in advance of the expiration of the Lease agreement. If the Association disapproves a proposed Lease or renewal or extension, the Unit Owner shall receive a short statement indicating the reason for the disapproval, and the Lease shall not be made, renewed or extended. The Association shall neither have a duty to provide an alternate lessee nor shall it assume any responsibility for the denial of a Lease application if any denial is based upon any of the following factors:

16.4.1 The person seeking approval (which shall hereinafter include all proposed occupants) has been convicted of a crime involving violence to persons, a crime demonstrating dishonesty or moral turpitude or any felony;

16.4.2 The application for approval on its face, facts discovered in connection with the Association's investigation, or the conduct of the applicant, indicate that the person seeking approval intends to conduct himself in a manner inconsistent with the Condominium Documents. By way of example, but not limitation, a tenant taking possession of the premises prior to approval by the Association as provided for herein shall constitute a presumption that the applicant's conduct is inconsistent with the Condominium Documents;

16.4.3 The person seeking approval has a history of disruptive behavior or disregard for the rights and property of others as evidenced by his conduct in other housing facilities or associations, or by his conduct in this Condominium as a tenant, Unit Owner or occupant of a Unit;

16.4.4 The person seeking approval has failed to provide the information, fees or appearances required to process the application in a timely manner;

16.4.5 All Assessments, fines and other Charges against the Unit and/or Unit Owner have not been paid in full.

16.5 Liability. The liability of the Unit Owner under the Condominium Documents shall continue notwithstanding the fact that he may have Leased or rented his interest in the Unit as provided herein.

16.6 Association Fee. The Unit Owner or lessee seeking approval of a Lease of a Unit shall pay a transfer fee for each applicant in an amount determined by the Board but not exceeding the maximum permitted by law per transaction. No charge shall be made in connection with an extension or renewal of a Lease.

17. MAINTENANCE OF COMMUNITY INTERESTS. In order to maintain a community of congenial Unit Owners who are financially responsible, and thus protect the value of the Units, the use and transfer of Units by any Owner shall be subject to the following provisions as long as the Condominium exists upon the land, which provisions each Unit Owner covenants to observe:

17.1 Forms of Ownership:

17.1.1 Ownership By Individuals. A Unit may be owned by one natural person who has qualified and been approved as elsewhere provided herein.

17.1.2 Co-Ownership. Co-ownership of Units may be permitted. If the co-owners are other than husband and wife, the Board shall condition its approval upon the designation of one approved natural person as "Primary Occupant." The use of the Unit by other persons shall be as if the Primary Occupant was the only actual Owner. Any changes in the Primary Occupant shall be treated as a transfer of ownership by sale or gift subject to the provisions of the Condominium Documents. No more than one such change will be approved in any calendar year. No time share estates may be created. "House Sharing" by multiple families is prohibited. Unit Owners of record as of the adoption of this provision shall be required to designate a Primary Occupant within thirty (30) days of the effective date hereof, which is the date of recordation in the Public Records of Lee County, Florida.

17.1.3 Ownership by Corporations, Partnerships or Trusts. A Unit may be owned in trust, or by a corporation, partnership or other entity which is not a natural person, if approved in the manner provided elsewhere herein. The intent of this provision is to allow flexibility in estate, financial, or tax planning, and not to create circumstances in which the Unit may be used as a short-term or transient accommodations for several individuals or families or used as a "perk" for guests of Units owned by business entities, religious, or charitable organizations, and the like. The approval of a partnership, trustee, or corporation or other entity as a Unit Owner shall be conditioned upon designation by the Owner of one natural person to be the "Primary Occupant." The use of the Unit by other persons shall be as if the Primary Occupant were the only actual Owner. Any change in this Primary Occupant shall be treated as a transfer of ownership by sale or gift subject to the provisions of the Condominium Documents. No more than one such change will be approved in any twelve (12) month period. Unit Owners of record as of the adoption of this

provision shall be required to designate a Primary Occupant within thirty (30) days of the effective date hereof, which is the date of recordation in the Public Records of Lee County, Florida.

17.1.4 Life Estate. A Unit may be subject to a life estate, either by operation of law or by a voluntary conveyance approved as provided below. In that event, the life tenant shall be the only member from such Unit, and occupancy of the Unit shall be as if the life tenant were the only Owner. Upon termination of the life estate, the holders of the remainder interest shall have no occupancy right unless separately approved by the Association. The life tenant shall be liable for all Assessments and Charges against the Unit. Any vote, consent, or approval required by the Condominium Documents or law may be given by the life tenant alone, and the vote, consent or approval of the holders of the remainder interest shall not be required. If there is more than one life tenant, they shall be treated as co-owners for purposes of determining voting and occupancy rights.

17.2 Transfers Subject to Approval.

17.2.1 Sale or Other Transfer. No Unit Owner may dispose of a Unit or any interest in same by sale or other title transfer, without prior written approval of the Board of Directors. No Unit Owner may dispose of a Unit or any interest therein by other means (including agreement for deed, installment sales contract, lease-option or other similar transactions) without prior written approval by the Board of Directors.

17.2.2 Gift. If any Unit Owner shall acquire his title by gift, the continuance of his ownership of his Unit shall be subject to the approval of the Board of Directors. Notice must be given at least thirty (30) days prior to the intended closing or title transfer date.

17.2.3 Devise or Inheritance. If any Unit Owner shall acquire his title by devise or inheritance, the continuance of his ownership of his Unit shall be subject to the approval of the Board of Directors. If any Unit Owner acquires his title by devise or inheritance, his right to occupy or use the Unit shall be subject to the approval of the Board of Directors. Approval to own or occupy may not be denied to any devisee or heir who was the prior Owner's lawful spouse at the time of death, or was related to the deceased Owner by blood or by adoption.

17.2.4 Other Transfers. If any Unit Owner shall acquire his title by any manner not considered in the foregoing subsections, the continuance of his ownership of such Unit shall be subject to the approval of the Board of Directors. If any person acquires title in any manner not considered in the foregoing subsections, that person shall have no right to occupy or use the Unit before being approved by the Board of Directors under the procedures outlined below.

17.3 Approval by Association. The approval of the Association that is required for the transfer of ownership of Units shall be obtained in the following manner:

17.3.1 Notice to Board of Directors.

17.3.1.1 Sale. A Unit Owner intending to make a bona fide sale of his Unit or any interest in it shall give to the Board of Directors notice of such intention, together with the name and address of the intended purchaser, an executed copy of the purchase contract and its exhibits and such other information concerning the intended purchaser and the transaction as the Board of Directors may reasonably require. The Board may require, without limitation, credit history, a criminal background investigation, past residency or employment verification, personal references, and a personal interview with the purchaser(s) and all proposed Unit occupants. Such notice at the Unit Owner's option may include a demand by the Unit Owner that the Association furnish a purchaser of the Unit if the proposed purchaser is not approved.

17.3.1.2 Gift, Devise or Inheritance; Other Transfers. A Unit Owner who has obtained his title by gift, devise or inheritance, or by any other manner not previously considered, shall give to the Board of Directors notice of the acquiring of his title, together with such information concerning the Unit Owner as the Board of Directors may reasonably require (including that set forth in Article 17.3.1.1 hereof), and a certified copy of the instrument evidencing the Owner's title.

17.3.1.3 Failure To Give Notice. If the above required notice to the Board of Directors is not given, then at any time after receiving knowledge of a transaction or event transferring ownership or possession of a Unit, the Board of Directors at its election and without notice may approve or disapprove the transaction or ownership. If the Board of Directors disapproves the transaction or ownership, the Board of Directors shall proceed as if it had received the required notice on the date of such disapproval.

17.3.2 Certificate of Approval.

17.3.2.1 Sale. If the proposed transaction is a sale, then within thirty (30) days after receipt of such notice and information, including a personal interview if requested by Board of Directors, the Board of Directors must either approve or disapprove the proposed transaction.

17.3.2.2 Gift, Devise or Inheritance; Other Transfers. If the Unit Owner giving notice has acquired his title by gift, devise or inheritance, or in any other manner, then within thirty (30) days after receipt of such notice and information the Board of Directors, including a personal interview if requested by the Board of Directors must either approve or disapprove the continuance of the Unit Owner's ownership of his Unit.

17.3.2.3 Approval of Occupant. If the Unit Owner or purchaser is a corporation, partnership, trust, some other entity, or more than one individual who are not husband and wife, the approval of ownership by the corporation, partnership, trust, other entity or multiple persons shall be conditioned upon approval of a Primary Occupant.

17.4 Disapproval by Board of Directors. If the Board of Directors shall disapprove a transfer of ownership of a Unit, the matter shall be disposed of in the following manner:

17.4.1 Sale. If the proposed transaction is a sale and if the notice of sale given by the Unit Owner shall so demand, then within thirty (30) days after receipt of such notice and information the Association shall deliver or mail by certified mail to the Unit Owner an agreement to purchase the Unit concerned by a purchaser approved by the Board of Directors (including the Association itself) who will purchase and to whom the Unit Owner must sell the Unit upon the following terms:

17.4.1.1 At the option of the Association to be stated in the agreement, the price to be paid shall be that stated in the disapproved contract to sell or shall be the fair market value determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers, one of whom shall be appointed by the Unit Owner and the other of whom shall be appointed by the Association, who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be shared by the parties.

17.4.1.2 The purchase price shall be paid in cash. The sale shall be closed within thirty (30) days after the delivery or mailing of the agreement to purchase, or within ten (10) days after the determination of the sale price if such is by arbitration, whichever is the later. If the Association shall fail to provide a purchaser upon the demand of the Unit Owner in the manner provided, or if a purchaser furnished by the Association shall default in his agreement to purchase, then notwithstanding the disapproval, the proposed transaction shall be deemed to have been approved and the Association shall furnish a certificate of approval.

17.4.2 Gifts, Devise, or Inheritance; Other Transfers. If the Unit Owner giving notice has acquired his title by gift, devise, or inheritance, or in any other manner, then within thirty (30) days after receipt from the Unit Owner of the notice and information required to be furnished, the Board of Directors shall deliver or mail by certified mail to the Unit Owner an agreement to purchase the Unit concerned by a purchaser approved by the Board of Directors (including the Association itself) who will purchase and to whom the Unit Owner must sell the Unit upon the following terms:

17.4.2.1 The sale price shall be the fair market value determined by agreement between the seller and purchaser within thirty (30) days from the delivery or mailing of such agreement. In the absence of agreement as to price, the price shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers, one of whom shall be appointed by the Association and the other of whom shall be appointed by the Unit Owner, who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific

performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be shared by the parties.

17.4.2.2 The purchase price shall be paid in cash. The sale shall be closed within ten (10) days following the determination of the sale price. If the Board of Directors shall fail to provide a purchaser as required by this instrument, or if a purchaser furnished by the Association shall default in his agreement to purchase, then notwithstanding the disapproval such ownership shall be deemed to have been approved, and the Association shall furnish a certificate of approval as elsewhere provided, which shall be recorded in the public records of Lee County, Florida, at the expense of the Unit Owner.

17.4.3 Disapproval for Good Cause. Approval of the Association for title transfers shall be withheld only if a majority of the whole Board so votes. The Board shall consider the following factors and may confer freely with counsel in reaching its decision. Only the following may be deemed to constitute good cause for disapproval:

17.4.3.1 The application for approval on its face, or subsequent investigation thereof, indicates that the person seeking approval (which shall hereinafter include all proposed occupants) intends to conduct himself in a manner inconsistent with the covenants and restrictions applicable to the condominium.

17.4.3.2 The person seeking approval (which shall include all proposed occupants) has been convicted of a crime involving violence to persons, a crime demonstrating dishonesty or moral turpitude, or any felony;

17.4.3.3 The person seeking approval has a record of financial irresponsibility, including without limitation prior bankruptcies, foreclosures, or bad debts.

17.4.3.4 The person seeking approval has a history of disruptive behavior or disregard for the rights and property of others as evidenced by his conduct in other social organizations or associations, or by his conduct in this condominium or other residences as a tenant, or Owner;

17.4.3.5 The person seeking approval failed to provide the information, fees or appearance required to process the application in a timely manner;

17.4.3.6 The Unit Owner requesting the transfer has had fines assessed against him or her which have not been paid; or,

17.4.3.7 All Assessments and other Charges against the Unit have not been paid in full.

Amended and Restated Declaration of Condominium

Page 32 of 39

If the Board disapproves a prospective transfer on the grounds for disapproval set forth above, the Association shall have no duty to purchase the Unit or furnish an alternate purchaser, and the transaction shall not be made.

17.5 Transfer Fee. The Association may Charge a processing fee for the approval of transfers of title. The fee may not exceed the maximum permitted by law per transaction.

17.6 Unauthorized Transactions. Any sale, Lease, mortgage or other transfer of ownership or possession not authorized pursuant to the terms of this Declaration shall be voidable unless subsequently approved by the Association.

18. METHOD OF AMENDMENT OF DECLARATION. Except as elsewhere provided otherwise, this Declaration of Condominium may be amended in the following manner:

18.1 Proposal of Amendments. An amendment may be proposed by either a majority of the Directors or by twenty-five percent (25%) of the entire voting interests.

18.2 Proposed Amendment Format. Proposals to amend the existing Declaration of Condominium shall contain the full text of the article to be amended. New words shall be underlined and words to be deleted shall be ~~lined through~~ with hyphens. If the proposed change is so extensive that this procedure would hinder rather than assist understanding, a notation must be inserted immediately preceding the proposed amendment saying, "SUBSTANTIAL REWORDING OF DECLARATION OF CONDOMINIUM. SEE ARTICLE NUMBER FOR PRESENT TEXT."

18.3 Notice. Copies of proposed amendments shall be included in the notice of any meeting at which a proposed amendment is to be considered or in connection with documentation for action without a meeting.

18.4 Adoption of Amendments. A resolution for the adoption of a proposed amendment may be adopted by a vote of two-thirds (2/3) of the voting interests of the Association present (in person or by proxy) and voting at a duly noticed meeting at which a quorum is present, provided, however, that the amendment is approved by at least a majority of the entire voting interests. Amendments correcting errors, omissions or scrivener's errors may be executed by the officers of the Association, upon Board approval, without need for Association membership vote, but must not change the intent of the amendment.

18.5 Effective Date. An amendment when adopted shall become effective after being recorded in the Lee County Public Records according to law.

18.6 Automatic Amendment. Whenever Chapter 718, Florida Statutes (2003) Chapter 617, Florida Statutes (2003) or other applicable statutes or administrative regulations, as amended from time to time, are amended to impose procedural requirements less stringent than set forth in

this Declaration of Condominium, the Board may operate the Association pursuant to the less stringent requirements. The Board of Directors, without a vote of the owners, may adopt by majority vote, amendments to this Declaration of Condominium as the Board deems necessary to comply with such operational changes as may be enacted by future amendments to Chapters 607, 617, and 718 of the Florida Statutes (2003), or such other statutes or administrative regulations as required for the operation of the Association, all as amended from time to time.

18.7 Proviso. Provided, however, that no amendment shall change the configuration of any unit or the share in the common elements appurtenant to it, or increase the owner's share of the common expenses, unless the record owner of the unit concerned and all record owners of the mortgages on such apartment shall join in the execution of the amendment, and all other unit owners approve the amendment.

19. TERMINATION. The condominium created hereby shall cease to exist as a condominium when:

19.1 Major Damage. There is a destruction of improvements by fire or other casualty in such manner that the apartment building shall not be reconstructed because of major damage as elsewhere herein provided.

19.2 Election. All the apartment owners together with the holders of all recorded liens elect to terminate the condominium. Evidence of such termination shall be by resolution of the Association recorded in the public records of Lee County, Florida, and at such time each owner of an apartment shall deliver to the Association his deed of conveyance for his apartment in which the Association is named as Grantee; the Board of Directors shall then proceed to dispose of all the property of the Association, upon terms satisfactory to the owners and recorded lienholders and the proceeds remaining after such disposition shall be paid to the owners and recorded lienholders in accordance with each owner's interest; any lienholders shall be paid in full before any payment is made to the owner of the encumbered apartment; should any owner fail for any reason to execute and deliver the required deed of conveyance, the Board of Director shall have the authority to compel compliance in a court of equity. Except as to matters contained in the Bylaws of the Association, this Declaration shall not be revoked nor any of the provisions herein amended unless all of the owners of the apartments and all of the mortgagees holding mortgages covering the apartment unanimously agree to such revocation or amendment by duly recorded instrument. Each and every owner of an apartment shall comply with the provisions of this Declaration and of the Bylaws of the Association, which are attached as Exhibit "C", and by this reference incorporated herein, including any amendments to such Bylaws lawfully adopted; and failure to comply with the same shall be grounds for an action to recover such sums due for damages or for injunctive relief.

20. CONDEMNATION.

20.1 Awards. The taking of all or any part of the Condominium Property by condemnation or eminent domain shall be deemed to be a casualty to the portion taken, and the

Amended and Restated Declaration of Condominium

Page 34 of 39

awards for that taking shall be deemed to be proceeds from insurance on account of the casualty. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Association, and if any fail to do so, a special assessment shall be made against a defaulting Unit Owner in the amount of this award, or the amount of the award shall be set off against any sums payable to that Owner.

20.2 Determination Whether to Continue Condominium. Whether the condominium will be continued after condemnation will be decided in the same manner as repair after casualty as set forth in Paragraph 14 hereof.

20.3 Distribution of Funds. If the Association is terminated after condemnation, the proceeds of all awards and special assessments will be deemed to be Association Property and shall be owned and distributed in the manner provided for insurance proceeds when the condominium is terminated after a casualty. If the Association is not terminated after condemnation, the size of the Association may be reduced. The Owners of condemned Units, if any, will share in awards and special assessments as provided below.

20.4 Association as Agent. The Association is hereby irrevocably appointed as each Unit Owner's attorney-in-fact for purposes of negotiating or litigating with the condemning authority for the purpose of realizing just compensation for the taking.

20.5 Units Reduced but Tenable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made tenable, the awards for the taking of a portion of that Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the condominium.

20.5.1 Restoration of Unit. The Unit shall be made tenable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be assessed against the Owner of the Unit.

20.5.2 Distribution of Surplus. The balance of the award, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and mortgagees.

20.5.3 Adjustment of Shares in Common Elements. If the floor area of a Unit is reduced by the taking, the number representing the share in the Common Elements appurtenant to the Unit shall be reduced in the proportion by which the floor area of the Unit is reduced by the taking, and then the shares of all Unit Owners in the Common Elements shall be restated as percentages of the total of the numbers representing their original shares as reduced by the taking.

20.6 Units not Tenable. If the taking of any entire Unit or so reduces the size of the Unit that it cannot be made tenable, the award for the taking of the Unit shall be used for the

following purposes in the order stated, and the following changes shall be effected in the condominium:

20.6.1 Payment of Award. The condemnation award immediately prior to the taking shall be paid to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and mortgagee(s).

20.6.2 Addition to Common Elements. If possible and practical, the remaining portion of the Unit shall become a part of the Common Elements and shall be placed in condition for use by all Unit Owners in the manner approved by the Board of Directors.

20.6.3 Assessments. If the amount of the award for the taking is not sufficient to pay the fair market value of the condemned Unit to the Unit Owner and to recondition the remaining portion of the Unit, the amount required for those purposes shall be raised by special assessment against all of the Unit Owners who will continue as Owners of any Unit after the changes in the condominium effected by the taking. The Assessments shall be made in proportion to the shares of those Owners in the Common Expenses after the changes effected by the taking.

20.7 Taking of Common Elements. Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements usable in the manner approved by the Board of Directors. The balance of such awards, if any, shall be distributed to the Unit Owners in the shares in which they own Common Expenses after adjustment of these shares on account of the condemnation. If a Unit is mortgaged, the remittance shall be paid jointly to the Owner and mortgagee(s) of the Unit.

20.8 Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements that are necessitated by condemnation shall be evidenced by an amendment of the Declaration of Condominium that need be approved only by a majority of all Directors of the Board.

21. COMPLIANCE AND DEFAULT.

21.1 Duty to Comply; Right to Sue. Each Unit Owner, his tenants and guests, and the Association shall be governed by and shall comply with the provisions of the Condominium Act, this Declaration, the documents creating the Association, the Bylaws and the Rules and Regulations. Action for damages or for injunctive relief, or both, for failure to comply may be brought by the Association or by a Unit Owner against:

21.1.1 The Association;

21.1.2 A Unit Owner; or

21.1.3 Anyone who occupies a Unit as a tenant or is a guest in a Unit.

Amended and Restated Declaration of Condominium

Page 36 of 39

21.2 Waiver of Rights. The failure of the Association to enforce any right, provision, covenant, or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant or condition in the future. A provision of the Condominium Act may not be waived if the waiver would adversely affect the rights of the Owner or defeat the purpose of the provision, except that Unit Owners or Directors may waive notice of specific meetings as provided in the Bylaws.

21.3 Attorney's Fees. In any legal proceeding arising out of an alleged failure of a Unit Owner, tenant, guest, or invitee or the Association to comply with the requirements of the Condominium Act or the Condominium Documents, as they may be amended from time to time, the prevailing party shall be entitled to recover the costs and expenses of the proceeding and a reasonable attorney's fee before trial, at trial and on appeal. The Association may also recover attorney's fees it incurs because of noncompliance with the Condominium Documents in cases where no court action is filed including, but not limited to, arbitration and pre-litigation fees incurred in the collection of delinquent Assessments, and fees reasonably incurred by the Association in obtaining compliance with the Condominium Documents. Said costs and fees shall be secured by a lien for Charges, as provided in Article 10.8 hereof.

21.4 No Election of Remedies. All rights, remedies and privileges granted to the Association or Unit Owners under any terms, provisions, covenants, or conditions of the Condominium Documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party from exercising such other additional rights, remedies, or privileges as may be granted by the Condominium Documents, or at law or in equity.

21.5 Waiver. The Association shall have the right to waive the application of one or more of the covenants or restrictions of the Condominium Documents, or to permit a deviation from said covenants or restrictions, as to any Unit where, in the discretion of the Board, circumstances exist which justify such waiver or deviation. In the event of any such waiver or permitted deviation, or in the event the Association fails to enforce violation of said covenants or restrictions, such actions or inactions shall not be deemed to prohibit nor restrict the right of the Association, or any other person having the right to enforce said covenants or restrictions, from insisting upon strict compliance with respect to all other Units, nor shall any such actions be deemed a waiver of any of the covenants or restrictions contained in the Condominium Documents as same may be applied in the future.

21.6 Notice of Lien or Suit.

21.6.1 Notice of Lien. A Unit Owner shall give to the Association written notice of every lien upon his Unit other than for permitted first mortgages, taxes and special assessments, within five (5) days after the Unit Owner receives actual notice of the attachment thereof.

21.6.2 Notice of Suit. A Unit Owner shall give notice, in writing, to the Association of every suit or other proceeding which may affect the title to his Unit, such notice to be given five (5) days after the Unit Owner receives actual knowledge thereof.

21.6.3 Failure to Comply. Failure of an Owner to comply with this Section 21.6 will not affect the validity of any judicial suit; however, the failure may render the Owner liable to any party injured by such failure.

23. COMMON USAGE OF RECREATIONAL FACILITIES. It is specifically understood that Unit Owners of all Units within this Condominium shall have the right to use the recreational facilities owned by the Master Association described herein.

24. MANDATORY MEMBERSHIP IN THE FOREST PROPERTY OWNERS ASSOCIATION, INC. THE HERON COACH HOUSES CONDOMINIUM ASSOCIATION, INC.

**SUBSTANTIAL REWORDING OF BYLAWS -
SEE CURRENT BYLAWS FOR CURRENT TEXT**

1. IDENTITY. These are the Amended and Restated Bylaws (hereinafter "Bylaws") of The Heron Coach Houses Condominium Association, Inc., a Florida not-for-profit Corporation formed for the purpose of administering The Heron Coach Houses, A Condominium (hereinafter "the Condominium") which is located at 16531 - 16561 Heron Coach Way, Fort Myers, Lee County, Florida 33908, upon the lands described in the Declaration of Condominium. (The corporation may hereafter be referred to as the "Association.")

1.1 Office. The office of the Association shall be at c/o Capital Properties Group, 3364 Cleveland Avenue, Fort Myers, Florida 33901, or such other location within Lee County, as may from time to time be determined by the Board of Directors.

1.2 Fiscal Year. The fiscal year of the Association shall be the calendar year, unless otherwise determined by the Board of Directors.

1.3 Seal. The corporate seal of the Association shall be adopted and may be changed by the Board of Directors and shall bear the name or abbreviated name of the Association, the word "Florida," the year of establishment, and shall identify the Association as a not-for-profit corporation. A common seal may be used in lieu of a raised corporate seal and in no event shall a seal be required to validate corporate actions unless specifically required by law.

1.4 Definitions. All terms used in these Bylaws shall have the same meaning, to the extent applicable, as set forth in the Articles of Incorporation for the Association, the Declaration of Condominium for the Condominium and the Florida Condominium Act (Chapter 718, Florida Statutes, 2003), all as amended from time to time.

2. MEMBERS' MEETINGS.

2.1 Annual Meetings. Annual members' meetings shall be held at such convenient location in Lee County as may be determined by the Board of Directors. The annual meeting shall be held on the date and time determined by the Board for the purpose of transacting any business authorized to be transacted by the members.

(Amended and Restated Bylaws)

Page 1 of 21

2.2 Special Meetings. Special members' meetings shall be held whenever called by the President or by a majority of the Board of Directors, and shall be called by the President or Secretary within a reasonable time of receipt of written notice from 25% of the voting interests of the Association. Members' meetings to recall a member or members of the Board of Directors may be called by 10% of the voting interests of the Association who shall give notice of the meeting, stating the purpose of the meeting, pursuant to Section 718.112(2)(k), Florida Statutes (2003), as amended from time to time.

2.3 Notice of Members' Meetings. Notice of all members' meetings, stating the time, place, and purpose(s) of the meeting, shall be sent to each Unit Owner by United States regular mail, unless waived in writing, at least 14 days prior to the meeting as to annual meetings and 10 days as to special meetings. Hand delivery and electronic notice is acceptable where permissible by law. Officers required to give notice may delegate the actual giving of notice to another person, such as an Assistant Officer or managing agent. Any members' meeting or election at which one or more Directors are to be elected must be noticed as provided for in Section 2.4 next following. An officer of the Association or other person providing notice shall execute an affidavit of mailing per Section 718.112(2)(d)(2), Florida Statutes (2003), as amended from time to time, which shall be retained in the official records of the Association as proof of such mailing. The notice of the annual meeting shall include an agenda for all known substantive matters to be discussed, or have such an agenda attached to it. A copy of the notice and agenda shall be posted at a conspicuous location, designated by Board resolution, on the Condominium Property.

Notice of specific meetings may be waived before or after the meeting and the attendance of any member (or person authorized to vote for such member) shall constitute such member's waiver of notice of such meeting, except when his (or his authorized representative's) attendance is for the sole and express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

2.4 Board of Directors Election Meetings - Notice and Procedure. The regular election of Directors shall occur as the first item of business at the annual meeting.

2.4.1 Not less than 60 days before a scheduled election, the Association shall mail, or deliver, whether by separate Association mailing or included in another Association mailing or delivery including regularly published newsletters, to each Unit Owner entitled to vote, a first notice of the date of the election. Any person desiring to be a candidate for the Board of Directors shall give written notice to the Association not less than 40 days before scheduled election. Not less than 14 days before the election, the Association shall mail or deliver a second notice of the election to all Unit Owners entitled to vote therein, together with a written ballot which shall include an information sheet (if provided by the candidate), no larger than 8½ inches by 11

Declaration of Condominium
(Amended and Restated Bylaws) -
Page 2 of 21

inches furnished by the candidate, to be included with the mailing of the ballot, with the costs of mailing and copying to be borne by the Association.

2.4.2 There is no quorum requirement necessary for an election. However, at least twenty percent (20%) of the Units must cast a ballot in order to have a valid election and elections shall be decided by a plurality of those votes cast.

2.4.3 In the event that there are only as many (or fewer) candidates pre-qualified for election as there are open seats on the Board, no election shall be held and the pre-qualified candidates shall automatically become members of the Board after the annual meeting.

2.4.4 It is the intention of this Article 2.4 to "opt out" of the statutory election procedures found at Section 718.112(2)(d), Florida Statutes (2003). To this end, the Board may establish additional election rules as it deems appropriate to ensure a fair election process. Substantial compliance with these Bylaws relative to election procedures is sufficient.

2.5 Quorum/Voting. A quorum at members' meetings shall consist of persons entitled to cast a majority of the voting interests of the entire membership. Decisions made by a majority of the voting interests present and voting, in person or by proxy, at a meeting at which a quorum is present shall be binding and sufficient for all purposes except such decisions as may be required by Chapter 718, Florida Statutes (2003) or the Condominium Documents require a larger percentage in which case the percentage required in Chapter 718, Florida Statutes (2003), or the Condominium Documents shall govern. To the extent lawful, Unit Owners may join in any action taken at a meeting of the members through written approval of such action executed after the meeting, and such approval shall be as though the Unit Owner duly approved the action of the meeting in question.

2.6 Indivisible Vote. Each Unit shall have one indivisible vote. If a Unit is owned by a corporation, any officer may vote on behalf of said corporation. If a Unit is owned by a partnership, any partner may vote on behalf of the partnership. If a Unit is owned in trust, any beneficiary of a trust shall be entitled to vote. Any person asserting the right to vote on behalf of a Unit owned by an artificial entity shall be conclusively presumed to be entitled to vote on behalf of said Unit, unless the Unit has filed voting instructions with the Association designating some other person entitled to vote. If multiple Owners or non-individual Owners of a Unit cannot agree on a vote, the vote shall not be counted as to the issue upon which disagreement exists. Voting certificates are not necessary.

2.7 Proxies. Votes may be cast in person or by proxy. Only Unit Owners or the spouse of a Unit Owner may be delegated to hold proxies, provided that the Board may designate agents of the Association (including but not limited to association legal counsel or the association's manager) as an eligible proxy holder. Proxies shall be in writing, signed and dated, and shall be

valid only for the particular meeting designated therein or an adjournment thereof, but in no event for more than 90 days, and must be filed with the Association before or at the voter registration immediately preceding the meeting, or adjournment thereof. Except as specifically otherwise provided by law, Unit Owners may not vote by general proxy, but may vote by limited proxies substantially conforming to a limited proxy form adopted by the Division of Florida Land Sales, Condominiums and Mobile Homes. Limited proxies and general proxies may be used to establish a quorum. Limited proxies shall be used for votes regarding reserves; for votes taken to waive financial statement requirements; for votes taken to amend the Declaration; for votes taken to amend the Articles of Incorporation or Bylaws; and for any other matter which Chapter 718, Florida Statutes (2003) requires or permits a vote of the Unit Owners. Provided, however, that it is the intention of this provision to "opt-out" of the requirements of the Statute to the extent that Unit Owners who are given the opportunity to vote by limited proxy, but declined to do so, may grant general powers (including the right to vote with respect to designated agenda items) to the holder of their proxy. No proxy, limited or general, shall be used in the election of Board members. General proxies may be used for other matters for which limited proxies are not required, and may also be used in voting for non-substantive changes to items for which a limited proxy is required and given. An executed telegram or cablegram appearing to have been transmitted by the proxy giver, or a photographic, photostatic, facsimile, electronic or equivalent reproduction of a proxy is a sufficient proxy. Owners may retroactively cure any alleged defect in a proxy by signing a statement ratifying the Owner's intent to cast a proxy vote. The use of proxies is to be liberally construed.

2.8 No Quorum. If any meeting of members cannot be organized because a quorum is not present, or if insufficient voting interests are represented to approve a proposed item of Association business, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present.

2.9 Order of Business. The order of business at annual members' meetings and, as far as applicable at all other members' meetings, shall be:

- 2.9.1** Call to order by the President;
- 2.9.2** At the discretion of the President, appointment by the President of a chairman of the meeting (who need not be a member or a Director);
- 2.9.3** Appointment by the Chair of inspectors of election;
- 2.9.4** Election of Directors;
- 2.9.5** Calling of the roll, certifying of proxies and determination of a quorum; or, in lieu thereof, certification and acceptance of

term is completed and thereafter until their successor is duly elected and qualified or until the Director is recalled in the manner provided in the Condominium Act, or resigns. Resignations of Directors are effective when received by the Association in writing, unless a later date is stated.

3.2 Board Vacancies. Vacancies in the Board of Directors shall be filled by appointment until the next annual meeting by a majority vote of the remaining Directors; provided that when a Director has been recalled by the membership, the vacancy created by his removal cannot be filled with the same person as has been removed from the Board, and when a majority of the Board has been recalled, vacancies shall be filled by the membership, as provided by law.

3.3 Organizational Meeting. The organizational meeting of each newly-elected Board of Directors to elect officers shall be held at such place and time as shall be fixed by the Directors, provided a quorum shall be present. Unless otherwise noticed, the organizational meeting shall be held immediately following the annual meeting of the members.

3.4 Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors. Notice of regular meetings, unless fixed by Board resolution, shall be given to each Director personally or by mail, electronic mail, telephone, or facsimile at least two days prior to the day named for such meeting.

3.5 Special Meetings. Special meetings of the Directors may be called by the President and must be called by the Secretary at the written request of any two (2) Directors. Not less than two days' notice of the meeting (except in an emergency) shall be given to each Director personally or by mail, electronic mail, telephone, or facsimile, which notice shall state the time, place, and purpose of the meeting.

3.6 Waiver of Notice. Any Director may waive notice of a meeting before, at, or after the meeting and such waiver shall be deemed equivalent to the giving of notice. Attendance by a Director at a meeting shall constitute waiver of notice of the meeting.

3.7 Notice to Owners of Board Meetings. Notice of meetings, which notice shall specifically include an agenda, shall be posted conspicuously as provided in Section 2.3 of these Bylaws at least 48 continuous hours in advance of the meeting for the attention of Unit Owners, except in an emergency. If closed circuit television is available, the Board may use same for posting notices, as permitted by law. Meetings at which a regular monthly or quarterly Assessment is to be considered shall contain a statement that Assessments will be considered and the nature of such Assessments. However, written notice of any meeting at which non-emergency special assessments, or at which amendment to rules regarding Unit use will be considered, shall be mailed or delivered (including electronic delivery as provided by law) to the Unit Owners and posted conspicuously as provided in Section 2.3 of these Bylaws not less than 14 continuous days

prior to the meeting. Evidence of compliance with this 14-day notice shall be by an affidavit executed by the person giving notice and shall be filed among the official records of the Association.

3.8 Owner Participation in Board Meetings. Meetings of the Board of Directors at which a majority of the members of the Board are present, shall be open to all Unit Owners. Unit Owners may not designate third persons, through power of attorney or otherwise, to attend Board meetings, unless agreed to otherwise by the Board. The right to attend such meetings includes the right to speak with reference to all designated agenda items; provided, however, the Board may adopt reasonable rules governing the frequency, duration, and manner of Unit Owner statements. Unless otherwise provided by the Board, each Unit Owner is entitled to speak for three minutes with reference to designated agenda items. Board meetings subject to the attorney-client privilege shall not be subject to Unit Owner observation.

3.9 Board Meetings, Quorum, and Voting. The designation of the agenda for Board meetings shall be at the discretion of the President. However, the President shall be obligated to include any item on the agenda for a Board meeting, if requested, in writing, by two Board members. A quorum at Directors' Meetings shall consist of a majority of the Directors. The acts approved by a majority of the entire Board of Directors present at a meeting shall constitute the acts of the Board. Directors may not vote by proxy or by secret ballot at Board meetings (except that Directors may vote by secret ballot when electing Officers) and a vote or abstention for each member present shall be recorded in the minutes. Directors may not abstain from voting except in the case of an asserted conflict of interest. If at any meeting of the Board there be less than a quorum present, the Director(s) present may adjourn the meeting from time to time until a quorum is present. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted. Absent Directors may later sign written joinders in Board actions, but such joinders may not be used for purposes of creating a quorum or counted as official vote for the Board's meeting. Directors may participate telephonically in Board meetings, as provided by law.

3.10 Presiding Officer. The presiding officer at Directors' meetings shall be the President, and in his absence, the Vice President. In the absence of the presiding officer, the Directors present shall designate one of their number to preside.

3.11 Director Compensation. Directors shall serve without pay but shall be entitled to reimbursement for expenses reasonably incurred.

4. POWERS AND DUTIES OF THE BOARD OF DIRECTORS. All of the powers and duties of the Association existing under the laws of Florida generally, Florida Not For Profit Corporation Statute, the Condominium Act, and the Condominium Documents, all as amended from time to time, shall be exercised exclusively by the Board of Directors, or its duly

authorized agents, contractors, or employees, subject only to the approval by Unit Owners when such is specifically required. The powers of the Directors shall include, but shall not be limited to, the following:

4.5 To Reconstruct After Casualty. The Directors may reconstruct the Units, Common Elements, Limited Common Elements, and Association Property improvements after casualty and to further improve the property, as specified in the Declaration of Condominium.

4.6 To Approve Transfers. The Directors may approve or disapprove proposed transactions or transfers in the manner provided by the Declaration of Condominium, and to charge a preset fee, not to exceed the maximum permissible by law, in connection with such right of approval. In connection with the Lease of Units, the Board may require the posting of a security deposit to protect against damages to the Common Elements or Association Property, in the manner provided by law.

4.7 To Enforce. The Directors may enforce by legal means the provisions of applicable laws and the Condominium Documents, and to interpret said Condominium Documents, as the final arbiter of their meaning.

4.8 To Contract. The Directors may contract for management, maintenance, and operation of the Condominium.

4.9 To Insure. The Directors shall carry insurance for the protection of the Unit Owners and the Association, pursuant to requirements contained in the Declaration of Condominium and Chapter 718, Florida Statutes (2003), both as amended from time to time.

4.10 To Pay Utility Bills. The Directors shall pay the cost of all utility services rendered to the Condominium and not billed to Owners of individual Units.

4.11 To Hire and Discharge. The Directors may employ personnel and designate other officers to be paid a reasonable compensation and grant them such duties as seem appropriate for proper administration of the purposes of the Association.

4.12 To Sue and Be Sued. The Directors may bring and defend suits.

The Directors may grant easements and licenses over the Condominium Property necessary or desirable for proper operation of the Condominium.

4.14 To Enter Into Contracts for Products and Services. All contracts for the purchase, Lease, or renting of materials or equipment, or which are not to be fully performed within one year, and all contracts for services shall be in writing. As to any such contract which requires payment exceeding 5% of the gross budget (including reserves) except for contracts with employees of the Association, attorneys, accountants, architects, engineers, landscape architects, and community association managers, the Association shall obtain competitive bids unless the products and services are needed as the result of an emergency, or unless the desired supplier is the only source of supply within the County serving the Association. The Association need not accept the lowest bid. If a contract was awarded under the competitive bid procedures of this Section, any renewal of that contract is not subject to such competitive bid requirements if the contract contained a provision that allowed the Board to cancel a contract on thirty days' notice. Materials, equipment, or services provided to a condominium under a local government franchise agreement by a franchise holder are not subject to the competitive bid requirements of this Section. The Association may opt out of competitive bidding requirements, by a Unit Owner vote, in the manner provided by law.

4.15 To Levy Fines. The Directors may, pursuant to Section 718.303, Florida Statutes (2003), impose fines against a Unit not to exceed the maximum permissible by law, for failure to comply with the provisions of the Board policies and resolutions, the Condominium Documents, including the Rules and Regulations, and applicable laws by Owners, occupants, licensees, tenants, and invitees.

4.15.1 A fine may be imposed for each day of continuing violation at the highest rate allowed by law per violation with a single notice and opportunity for hearing, provided that no fine shall in the aggregate exceed the maximum amount permissible by law.

4.15.2 The party against whom the fine is sought to be levied shall be afforded an opportunity for hearing by being given notice of not less than fourteen (14) days. Notice shall be deemed effective when deposited in the United States Mail, certified, return receipt requested, to the address of the Unit Owner listed in the official records of the Association, and as to tenants, to the mailing address for the Unit. Said notice shall include:

4.15.3 The party against whom the fine may be levied shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge, and respond to any material considered by the Association. The hearing shall be held before a Committee of other Unit Owners. If the Committee does not agree with the fine, the fine may not be levied. Should the Association be required to initiate legal proceedings to collect a duly levied fine, the prevailing party in an action to collect said fine shall be entitled to an award of costs, and a reasonable attorney's fee incurred before trial (including in connection with the preparation for and conduct of fining hearings), at trial, and on appeal. Unit Owners shall be jointly and severally liable for the payment of fines levied against tenants, guests, invitees, or other occupants of a Unit.

4.16 To Appoint Committees. The Directors may appoint committees and delegate to such committees those powers and duties of the Association as the Board deems advisable. All committees and committee members shall serve at the pleasure of the Board. Committees of the Association as defined in the Section 718.103(6), Florida Statutes (2003), as amended from time to time, shall conduct their affairs in the same manner as provided in these Bylaws for Board of Director meetings.

4.17 To Ensure Fire Safety Compliance. The Directors may accept a Certificate of Compliance from a licensed electrical contractor or electrician as evidence of compliance of the condominium Units with the applicable Fire and Life Safety Code.

4.18 To Approve the Installation of Hurricane Shutters. The Directors shall adopt hurricane shutter specifications for the Condominium which shall include color, style, and other factors deemed relevant by the Board. All specifications adopted by the Board shall comply

with the applicable building code, or shall be structured to ensure that installed shutters are in compliance with the applicable building code. The Board shall not refuse to approve the installation or replacement of hurricane shutters conforming to the specifications adopted by the Board, provided that the Board may condition approval upon the Unit Owner's agreement to execute appropriate documentation regarding same.

4.19 To Exercise Emergency Powers. In the event of any "emergency" as defined in Section 4.19.8 below, the Board of Directors may exercise the emergency powers described in this Section, and any other emergency powers authorized by Section 617.0207, Florida Statutes (2003), and Section 617.0303, Florida Statutes (2003), as amended from time to time.

4.19.1 The Board may name as assistant officers persons who are not Directors, which assistant officers shall have the same authority as the executive officers to whom they are assistant during the period of the emergency, to accommodate the incapacity of any officer of the Association.

4.19.2 The Board may relocate the principal office or designate alternative principal offices or authorize the officers to do so.

4.19.3 During any emergency the Board may hold meetings with notice given only to those Directors with whom it is practicable to communicate, and the notice may be given in any practicable manner, including publication or radio. The Director or Directors in attendance at such a meeting shall constitute a quorum.

4.19.4 Corporate action taken in good faith during an emergency under this Section to further the ordinary affairs of the Association shall bind the Association; and shall have the rebuttable presumption of being reasonable and necessary.

4.19.5 The Board may use reserve funds to meet Association needs.

4.19.6 Any officer, Director, or employee of the Association acting with a reasonable belief that his actions are lawful in accordance with these emergency Bylaws shall incur no liability for doing so, except in the case of willful misconduct.

4.19.7 These emergency Bylaws shall supersede any inconsistent or contrary provisions of the Bylaws during the period of the emergency.

4.19.8 For purposes of this Section only, an "emergency" exists only during a period of time that the condominium, or the immediate geographic area in which the condominium is located, is subjected to:

- 4.19.8.1 a state of emergency declared by local civil or law enforcement authorities;
- 4.19.8.2 a hurricane warning;
- 4.19.8.3 a partial or complete evacuation order;
- 4.19.8.4 federal or state "disaster area" status;
- 4.19.8.5 a catastrophic occurrence, whether natural or manmade, which seriously damages or threatens to seriously damage the physical existence of the condominium, such as an earthquake, tidal wave, fire, hurricane, tornado, war, civil unrest, or act of terrorism; or,
- 4.19.8.6 an unanticipated set of circumstances, which, if not acted upon with immediacy, is likely to cause imminent and significant financial harm to the Association, the Unit Owners, the Condominium Property, or Association Property.

5. OFFICERS.

5.1 Executive Officers. The executive officers of the Association shall be the President, one or more Vice Presidents, a Secretary, a Treasurer, and such assistant officers as may be desired, all of whom shall be elected annually by and from the Board of Directors, and who may be peremptorily removed by a majority vote of the Directors at any meeting. Any person may hold two or more offices except that the President shall not also be the Secretary. Assistant officers need not be Directors.

5.2 President — Powers and Duties. The President shall be the chief executive officer of the Association, shall preside at all meetings of the Board of Directors and Association meetings. The President shall have general supervision over the affairs of the Association and shall have all of the powers and duties which are usually vested in the office of President of a corporation.

5.3 Vice-President — Powers and Duties. The Vice-President shall, in the absence or disability of the President, exercise the powers and perform the duties of the President. He shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Directors.

5.4 Secretary — Powers and Duties. The Secretary shall keep the minutes of all proceedings of the Directors and the members. He shall attend to the giving and serving of all notices to the members and Directors and other notices required by law. He shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed. He shall keep and have custody of the records of the Association, except those of the Treasurer. He shall perform all other duties incident to the office of Secretary of the Association and as may be required by the Directors or the President.

5.5 Treasurer — Powers and Duties. The Treasurer shall have custody of all property of the Association, including funds, securities, and evidences of indebtedness. He shall keep the Assessment rolls and accounts of the members. He shall keep the books of the Association in accordance with good accounting practices and shall perform all other duties incident to the office of the Treasurer of a corporation.

5.6 Officers' Compensation. Officers shall not be entitled to compensation for service as such, but shall be entitled to reimbursement of expenses reasonably incurred. This provision shall not preclude the Board of Directors from employing an Officer or Director as an agent or employee of the Association.

6. Indemnification.

6.1 Indemnity. The Association shall indemnify any officer, Director, or committee member who was or is a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he is or was a Director, officer, or committee member of the Association, against expenses (including attorney's fees and appellate attorney's fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, unless (i) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed indemnitee, that he did not act in good faith or in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, and (ii) such court also determines specifically that indemnification should be denied. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. It is the intent of the membership of the Association, by the adoption of this provision, to provide the most comprehensive indemnification possible to their officers, Directors, and committee members as permitted by Florida law.

6.2 Defense. To the extent that a Director, officer, or committee member of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Section 6.1 above, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorney's fees and appellate attorney's fees) actually and reasonably incurred by him in connection therewith.

6.3 Advances. Expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the affected Director, officer, or committee member to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Association as authorized by this Article 6.

6.4 Miscellaneous. The indemnification provided by this Article 6 shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of members, or otherwise, and shall continue as to a person who has ceased to be a Director, officer, or committee member and shall inure to the benefit of the heirs and personal representatives of such person.

6.5 Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, committee member, employee, or agent of the Association, or a Director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

6.6 Amendment. Anything to the contrary herein notwithstanding, the provisions of this Article 6 may not be amended without the approval in writing of all persons whose interest would be adversely affected by such amendment.

6.7 Delegation. To the extent permitted by law, the powers and duties of the Directors and officers may be delegated for the purpose of management.

7. MINUTES AND INSPECTION OF RECORDS. Minutes of all meetings of Unit Owners and of the Board of Directors shall be kept in a business-like manner. These, plus records of all receipts and expenditures and all other official records, as defined in Section 718.111(12), Florida Statutes (2003), as amended from time to time, shall be available for inspection by Unit Owners and Board members at all reasonable times. Provided, however, that the Directors may adopt reasonable rules regarding the frequency, time, location, notice, and manner of record inspections and any copying.

8. FISCAL MANAGEMENT. Shall be in accordance with the following provisions:

8.1 Budget. The budget shall be adopted by the Board. A proposed annual budget of Common Expenses shall be prepared by the Board of Directors which shall include all anticipated expenses for operation, maintenance, and administration of the Condominium. The proposed budget may also include expenses of security, in-house communications, Directors and officers insurance, transportation services, bulk cable or master antenna television, and interior pest control, all of which are declared to be Common Expenses under these Bylaws. The proposed budget shall include reserves per Section 718.112(2)(f)2, Florida Statutes (2003), as amended from time to time, the funding of which may be waived or reduced by the Owners. Reserve funds and any accrued interest on the funds shall remain in the reserve account for authorized reserve expenditures, unless their use for other purposes is approved in advance by a vote of the majority of the voting interests at a duly called meeting of the Association, or by the written approval of a majority of the voting interests. The budget will contain a reasonable allowance for contingencies and provide funds for all operating expenses previously incurred. If, in any taxable year, the net income of the corporation from all sources other than casualty insurance proceeds and other nonrecurring items exceed the sum of (1) total common expenses for which payment has been made or liability incurred within the taxable year, and (2) reasonable reserves for common expenses and other liabilities in the next succeeding taxable year, such excess shall be held by the corporation and used to reduce the amount of assessments that would otherwise be required in any following year or to add such sum to Unrestricted Reserves as the Board may deem appropriate. If at any time a budget shall prove insufficient, it may be amended by the Board of Directors for the remaining portion of the fiscal year, provided that notice of the Board meeting at which the revised budget will be considered along with a copy of the proposed revisions to the budget shall be mailed to each member as provided in Article 8.2 hereof. If an adopted budget requires Assessments against the Unit Owners in any fiscal or calendar year which exceed 115 percent of the Assessments for the preceding year, the Board upon written application of 10 percent of the voting interests to the Board, shall call a special meeting of the Unit Owner within 30 days upon not less than 10 days' written notice to each Unit Owner. At the special meeting, Unit Owners shall consider and enact a budget. The adoption of the budget requires a vote of not less than a majority vote of all the voting interests. The Board of Directors may propose a budget to the Unit Owners at a meeting of members or in writing, and if the budget or proposed budget is approved by the Unit Owners at the meeting or by a majority of all the voting interests in writing, the budget is adopted. If a meeting of the Unit Owners has been called and a quorum is not attained or a substitute budget is not adopted by the Unit Owners, the budget adopted by the Board of Directors goes into effect as scheduled. In determining whether Assessments exceed 115 percent of similar Assessments in prior years, any authorized provisions for reasonable reserves for repair or replacement of the Condominium Property, anticipated expenses by the condominium Assessment which are not anticipated to be incurred on a regular or annual basis, or Assessments for betterments to the Condominium Property must be excluded from the computation.

8.2 Mailing. A copy of the proposed annual budget shall be mailed or hand-delivered to the Unit Owners not less than 14 days prior to the meeting of the Directors at which the budget will be adopted together with a notice of the meeting.

8.3 Assessments. The annual shares of the Unit Owners of the Common Expenses shall be made payable in installments due monthly or quarterly (as determined by the Board) in advance and shall become due on the first day of each such period and shall become delinquent 10 days thereafter. The Association shall have the right to accelerate Assessments of an Owner delinquent in the payment of Common Expenses. Accelerated Assessments shall be due and payable on the date a claim of lien is filed and may include the amounts due for the remainder of the fiscal year for which the claim of lien was filed.

8.4 Special Assessments. Assessments for Common Expenses which are not provided for and funded in the budget or an amendment to the budget may be made by the Board of Directors, and the time of payment shall likewise be determined by them. Notice of the Board meeting at which such Assessments shall be considered shall be posted and mailed to each Unit Owner as provided in Article 3.7 hereof, except in the event of an emergency. The funds collected pursuant to a special assessment shall be used only for the specific purpose or purposes set forth in such notice. However, upon completion of such specific purpose or purposes, any excess funds will be considered Common Surplus, and may, at the discretion of the Board, either be returned to the Unit Owners or applied as a credit towards future Assessments.

8.5 Assessment Roll. The Assessments for Common Expenses and Charges shall be set forth upon a roll of the Units which shall be available for inspection at all reasonable times by Unit Owners. Such roll shall indicate for each Unit the name and address of the Owner, and the Assessments and Charges paid and unpaid. A certificate made by a duly authorized representative of the Association or by the Board of Directors as to the status of a Unit's account may be relied upon for all purposes by any person for whom made.

8.6 Liability for Assessments and Charges. A Unit Owner shall be liable for all Assessments and Charges coming due while the Owner of a Unit, and such Owner and Owner's grantees or successors after a voluntary conveyance or other acquisition of title shall be jointly and severally liable for all unpaid Assessments and Charges due and payable up to the time of such voluntary conveyance. Liability may not be avoided by waiver of the use or enjoyment of any Common Elements or Association Property or by abandonment of the Unit for which the Assessments are due. Where a mortgagee holding a first mortgage of record obtains title to a Unit by foreclosure, such mortgagee and its successors and assigns shall only be liable for such Unit's Assessments, Charges, or share of the Common Expenses which became due prior to acquisition of title as provided in the Florida Condominium Act (2003), as amended from time to time.

8.7 Liens for Assessments. The unpaid portion of an Assessment, including an accelerated Assessment which is due, together with all costs, interest, late fees, and reasonable attorney's fees for collection, including appeals, shall be secured by a continuing lien upon the Unit.

8.8 Lien for Charges. Unpaid Charges due to the Association together with costs, interest, late fees, and reasonable attorney's fees shall be secured by a common law and contractual lien upon the Unit and all appurtenances thereto when a notice claiming the lien has been recorded by the Association.

8.9 Collection — Interest; Administrative Late Fee; Application of Payments. Assessments or Charges paid on or before ten days after the date due shall not bear interest, but all sums not paid on or before ten days shall bear interest at the highest rate permitted by law from the date due until paid. In addition to such interest the Association may charge an administrative late fee in an amount not to exceed the greater of \$25 or 5% of each installment of the Assessment for which payment is late, or the maximum late fee permissible by law. The Association may also accelerate all Assessments or Charges which are accrued, but not yet due, in the manner provided by law. All payments upon account shall be first applied to interest, then the late fee, then to any costs and reasonable attorney's incurred, and then to the Assessment payment first due.

8.10 Collection — Suit. The Association, at its option, may enforce collection of delinquent Assessments or Charges by suit at law, by foreclosure of the lien securing the Assessments or Charges, or by any other remedy available under the laws of the State of Florida, and in any event the Association shall be entitled to recover the payments which are delinquent at the time of collection, judgment, or decree, together with those which have become due by acceleration or which have thereafter become due, plus interest thereon, and all costs incident to the collection and the proceedings, including reasonable attorney's fees, incurred before trial, at trial, and on appeal. The Association may attach rental income for delinquent Units and may withhold approval for the sale, Lease, or other transfer of a Unit, or any interest therein, until all past due Assessments, interest, late fees, costs, and attorney's fees have been paid in full. The Association must deliver or mail by certified mail to the Unit Owner a written notice of its intention to foreclose the lien as provided by law.

8.11 Accounts. All sums collected from Assessments or Charges shall be credited to accounts from which shall be paid the expenses for which the respective Assessments or Charges are made.

8.12 Association Depository. The Depository of the Association in which the funds of the Association shall be deposited, shall be financial institutions authorized to do business in Florida which carry FDIC insurance or equivalent private insurance such as insurance placed through the Society Investor Protection Corporation (SIPC), as shall be

designated by the Board of Directors. Alternatively, the Association may deposit funds with brokerage houses or institutions which are members of the National Association of Securities Dealers, Inc. and insured by SIPC or equivalent industry insurance. Principal of Assessment funds, whether reserves or operating funds, may not be placed at risk for investment purposes. Withdrawal of money from those accounts shall be only by checks or other withdrawal instruments signed by those persons as are authorized by the Directors.

8.13 Commingling of Funds. All funds shall be maintained separately in the Association's name. No community association manager or business entity required to be licensed or registered under Section 468.432, Florida Statutes (2003), as amended from time to time, no agent, employee, officer, or Director of the Association shall commingle any Association funds with his funds or with the funds of any other condominium association or community association as defined in Section 468.431, Florida Statutes (2003), as amended from time to time, or with those of any other entity. Reserve funds and operating funds of the Association may be commingled for investment purposes, as provided by law.

8.14 Financial Reports. A complete financial report of actual receipts and expenditures of the Association shall be made annually which shall comply with Rule 61B-22, Florida Administrative Code (2003), as amended from time to time, and with Section 718.111(13), Florida Statutes (2003), as amended from time to time.

8.15 Fidelity Bonding. The Association shall obtain and maintain adequate fidelity bonding in the minimum principal sum set forth in Section 718.112(2)(j), Florida Statutes (2003), as amended from time to time, for each person (whether or not a Director) who controls or disburses Association funds, and the President, Secretary and Treasurer. The Association shall bear the cost of bonding. In the case of a licensed manager, the cost of bonding may be reimbursed by the Association as the parties may agree. All persons providing management services to the Association, or otherwise having the authority to control or disburse Assessment funds, shall provide the Association with a certificate of insurance evidencing compliance with this paragraph, naming the Association as an insured under said policy.

9. MEETING CONDUCT. Meetings shall be conducted in accordance with these Bylaws and the procedures established by the Board from time to time, including the form of voting documents to be used. The ruling of the Chair of the meetings unless he or the Board of Directors designates a third person, as Parliamentarian, shall be binding unless contrary to law.

10. BY-LAW AMENDMENTS. Amendments to the By-Laws shall be adopted in the following manner:

10.1 Proposal of Amendments. An amendment may be proposed by either a majority of the Directors or by twenty-five percent (25%) of the entire voting interests.

(Amended and Restated Bylaws)
Page 18 of 21

10.2 Proposed Amendment Format. Proposals to amend existing By-Laws shall contain the full text of the article to be amended. New words shall be underlined and words to be deleted shall be ~~lined through~~ with hyphens. If the proposed change is so extensive that this procedure would hinder rather than assist understanding, a notation must be inserted immediately preceding the proposed amendment saying, "SUBSTANTIAL REWORDING OF BY-LAWS. SEE BY-LAW NUMBER FOR PRESENT TEXT."

10.3 Notice. Copies of proposed amendments shall be included in the notice of any meeting at which a proposed amendment is to be considered or in connection with documentation for action without a meeting.

10.4 Adoption of Amendments. A resolution for the adoption of a proposed amendment may be adopted by a vote of two-thirds (2/3) of the voting interests of the Association present (in person or by proxy) and voting at a duly noticed meeting at which a quorum is present, provided, however, that the amendment is approved by at least a majority of the entire voting interests. Amendments correcting errors, omissions or scrivener's errors may be executed by the officers of the Association, upon Board approval, without need for Association membership vote, but must not change the intent of the amendment.

10.5 Effective Date. An amendment when adopted shall become effective after being recorded in the Lee County Public Records according to law.

10.6 Automatic Amendment. These By-Laws shall be deemed amended, if necessary, so as to make the same consistent with the provisions of the Declaration of Condominium or the Articles of Incorporation. Whenever Chapter 718, Florida Statutes (2003) Chapter 617, Florida Statutes (2003), or other applicable statutes or administrative regulations, as amended from time to time, are amended to impose procedural requirements less stringent than set forth in these By-Laws, the Board may operate the Association pursuant to the less stringent requirements. The Board of Directors, without a vote of the owners, may adopt by majority vote, amendments to these By-Laws as the Board deems necessary to comply with such operational changes as may be enacted by future amendments to Chapters 607, 617, and 718 of the Florida Statutes (2003), or such other statutes or administrative regulations as required for the operation of the Association, all as amended from time to time.

10.7 Proviso. Provided, however, that no amendment shall change the configuration of any unit or the share in the common elements appurtenant to it, or increase the owner's share of the common expenses, unless the record owner of the unit concerned and all record owners of the mortgages on such apartment shall join in the execution of the amendment, and all other unit owners approve the amendment.

11. DISPUTE RESOLUTION.

11.1 Mandatory Arbitration. If unresolved, disputes between the Board and Unit Owners as defined in Section 718.1255(1), Florida Statutes (2003), as amended from time to time, must be arbitrated in mandatory non-binding arbitration proceedings as provided in the Condominium Act prior to commencing litigation, so long as the Condominium Act requires such arbitration.

11.2 Unit Owner Inquiries. When a Unit Owner files a written inquiry by certified mail with the Board, the Board shall respond in writing to the Unit Owner within 30 days of receipt of said inquiry. The Board's response shall either give a substantive response to the inquirer, or notify the inquirer that legal advice has been requested, or notify the inquirer that advice has been requested from the Association's counsel or the Division. If the Board requests advice from the Division, the Board shall, within ten days of its receipt of the advice, provide in writing a substantive response to the inquirer. If a legal opinion is requested, the Board shall, within 60 days after the receipt of the inquiry, provide in writing a substantive response to the inquirer. The failure to provide a substantive response to the inquirer as provided herein precludes the Association from recovering attorney's fees and costs in any subsequent litigation, administrative proceeding, or arbitration arising out of the inquiry. Absent a different rule adopted by the Board of Directors, the Board shall only be obligated to respond to one inquiry per month pertinent to any particular Unit. In the event of a grievance of a Unit Owner against the Association, the Board of Directors, or a member thereof, written notice in detail of the grievance shall be given the Directors prior to the institution of litigation, (including but not limited to arbitration) and they shall be allowed a period of 30 days in which to resolve the grievance.

11.3 Other Remedies. Nothing herein shall preclude the Association from pursuing any remedy for the violation of the Condominium Documents or disputes with a Unit Owner or other party as may be available to the Association under the laws of the State of Florida or the Condominium Documents.

12. MISCELLANEOUS. The following miscellaneous provisions shall apply to these Bylaws and the Condominium Documents.

12.1 Conflicts. The term "Condominium Documents," as used in these Bylaws and elsewhere shall include the Declaration of Condominium, Articles of Incorporation, these Bylaws, the Rules and Regulations of the Association, the Plats, Surveys, Plot Plans, and graphic descriptions of improvements of record, and all other exhibits to the original Declaration of Condominium. In the event of a conflict between the language in the Declaration of Condominium and the graphic descriptions of record, the graphic description of record shall control. In the event of a conflict between language in any of the other Condominium Documents, the following priorities shall control:

Permitted antennas include (collectively hereinafter referred to as "antennas"):

- Direct broadcast satellite dishes (DBS) that are less than one meter in diameter.
- Multi-channel, multi-point distribution service devices (MMDS) that are less than one meter in diameter or diagonal measurement.

Location of Antennas. Antennas are only permitted to be installed in exclusive use areas, such as limited common element balconies. To the extent feasible, all antennas must be placed in locations that are not visible from any street and in a location to minimize annoyance or inconvenience to other residents of the community if this placement would still permit reception of an acceptable quality signal. Antennae may not extend beyond the plane of the imaginary line running from the edge of the balcony ceiling to the balcony floor, bounded on the sides by the vertical balcony walls.

Holes (whether through drilling, nails or screws, or otherwise) are not permitted in structural portions of the building (including but not limited to concrete, masonry, block, stucco, fascia, soffits, windows, window frames, doors, door frames, and the like) without prior written approval of the Board of Directors. It is the intent of this requirement to ensure that the structural integrity of the building (including but not limited to its water-proofness) is not compromised by the installation of antennas.

Color and Screening of Antennas. All antennas shall be painted to blend into the background against which it is mounted, so long as the paint will not interfere with an acceptable quality signal.

Safety Requirements. To safeguard the safety of the unit owners, occupants of the residence in which the antenna is located, neighboring unit owners, and other owners and members in the condominium, it shall be the obligation of the owner to comply with all applicable local, state and federal safety requirements, including but not limited to obtaining a permit for the installation of the antenna, if any is so required, hiring licensed contractors with sufficient expertise and adequate insurance to protect their work, installing the antennas away from power lines and other potentially

Antennas shall be properly secured and installed so as to cause no damage to the building, such as compromise of its waterproof integrity. Unit owners shall indemnify the Association for any loss or damage (including attorney's fees) occasioned by non-compliance with these obligations. A unit owner shall indemnify and hold harmless the Association, and all other unit owners, for any damage that an antenna causes to the condominium property or to persons or other property.

10. No exterior curtain, blind, awning, or glass, etc., shall be installed on any porch or balcony without the prior approval of the Board of Directors. An owner shall not individually appoint or otherwise decorate or change the appearance of any portion of the exterior of his apartment. Repairs, screening and screening supports shall be at owner's expense.

14. Children shall not be allowed to play on the stairways.

15. Each unit owner and the occupants of a unit shall maintain in good condition and repair his unit and all interior surfaces within said unit (such as the surfaces of the walls, ceilings, floors, etc.), and to maintain and repair the fixtures therein and pay for such utilities as are separately metered to his unit.

16. Painted or lettered commercial vehicles whether they be cars, trucks or cargo vans shall not be permitted on the premises for more than one night.

Existing features in place as of the date of approval of these regulations shall be grandfathered.
